MANY THANKS FOR YOUR HELP WITH THIS

Recording reactions & experiences

Here is the tool we used to record reactions & experiences. It's not fancy. But it's to the point. And it worked for us.

**Please write down your reactions to being part of this video pilot.
You can just jot down some words or write for longer.
Bear in mind that this has been all about you as a citizen.**

What you found interesting or have learnt.

.....
.....

What have you enjoyed?

.....
.....

What do you wish had been part of this pilot?

.....
.....

What have you found useful and will take away with you?

.....
.....

What has not been useful to you or you have not liked.

.....
.....

Would you get involved in a similar project to this?
