RESIDENT TRAVEL SURVEY

Please take a few minutes to complete the questionnaire below which will help us to form a picture of your current daily travel patterns. The information will be used to develop new ways of supporting residents to access public transport, help set targets and inform us on the development of walking and cycling infrastructure in the area. The questionnaire is available to complete on line at www.snapsurveys.com/wh/s.asp?k=155627207853

You have a number of rights in relation to the information that we hold about you, including the right of access to your information and the right of complaint if you are unhappy with the way your information is processed. For further information on how we process the information and your rights please visit the web page below.
