		13/95													

1. Indicate with (a) if Welsh speaking secondary school:i.e a school where more than one half of the following subjects, namely RE and the subjects other than English or Welsh which are foundation subjects are taught wholly or partly in Welsh
2. Number on roll (NOR) should include any part-time pupils on a FTE basis.
3. For 2006 and 2007:as indicated by the capacity assessment formula set out in Annexes A and B to circular 13/95, or in Assembly Guidance "Measuring the capacity of schools in Wales (MCW)" (please indicate which).
From 2008, latter method should be used. Non - permanent buildings which have been used as teaching accommodation for at least 3 years and where there are no plans for removal should be included.
4. A Standard Number (SN)/Admission Number (AN) is a fixed minium entry number and is derived from the school's capacity
5. Temporary accommodation is only accommodation expected to be used for less than 3 years. It should not be included in the MOE calculation
