

WORKING IN CHILDCARE

Are you thinking of a career in childcare or running your own day nursery? There are a lot of opportunities available to you including grants and funding. Your local Children's Information Service can point you in the right direction and advise you of what provision already exists in the area.

F I S Tel: (01443) 86 32 32

E Y D C P (01443) 86 34 19

Registered Childminders work in their own homes, providing care and learning opportunities for children. Caerphilly E Y D C P has a start-up pack including membership of the NCMA (National Childminding Association), public liability insurance, as well as help towards training and equipment.

NCMA: 0845 8801299

Day nurseries are open weekdays all year round, so there are lots of opportunities for you to work part-time or term-time to fit in around your other commitments. With more experience you can move into a supervisory or management role. There is a wide choice of training and qualifications available to you. For more information contact:

NDNA 0870 774 42 44
