**CAERPHILLY COUNTY BOROUGH COUNCIL  
CHURCH ROAD, RISCA  
EXPERIMENTAL ONE-WAY TRAFFIC ORDER 2024**

**STATEMENT OF REASONS**

The one-way traffic order is considered appropriate to prevent conflict caused by opposing vehicle flows along this narrow length of Church Road.

This is of particular concern either side of the bend beneath the railway bridge at which point drivers of vehicles heading towards the bridge in opposite directions have very limited visibility of each other. In order to minimise this potential conflict, drivers frequently beep their horns causing inconvenience to residents living close to the bridge.
