PROPOSAL FOR A REPLACEMENT SCHOOL

Plasyfelin Primary School

CONSULTATION RESPONSE FORM

Here in Caerphilly we have bold ambitions to provide every learner with the best life chances and we are committed to doing this through the provision of high-quality teaching and learning environments as part of our 21st Century Schools programme.

In some cases, schools can be modernised, repaired, refurbished, extended, or partially rebuilt to meet the standards needed for contemporary teaching and learning. However, some existing schools are no longer in the right place or meet pupil demand. In such cases we might propose new schools or changes to existing schools.
