

# EQUALITY IMPACT ASSESSMENT FORM

October 2018

## THE COUNCIL'S EQUALITIES STATEMENT

This Council recognises that people have different needs, requirements and goals and we will work actively against all forms of discrimination by promoting good relations and mutual respect within and between our communities, residents, elected members, job applicants and workforce.

We will also work to create equal access for everyone to our services, irrespective of ethnic origin, sex, age, marital status, sexual orientation, disability, gender reassignment, religious beliefs or non-belief, use of Welsh language, BSL or other languages, nationality, responsibility for any dependents or any other reason which cannot be shown to be justified.

The Council is required to have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act 2010
- advance equality of opportunity between people who share a relevant protected characteristic and those who do not
- foster good relations between people who share a protected characteristic and those who do not.

The Act explains that having due regard for advancing equality involves:

- removing or minimising disadvantages experienced by people due to their protected characteristics
- taking steps to meet the needs of people from protected groups where these are different from the needs of other people
- encouraging people with protected characteristics to participate in public life or in other activities where their participation is disproportionately low.

The protected characteristics are:

- Age
- Disability
- Gender Re-assignment
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race
- Religion, Belief or Non-Belief
- Sex
- Sexual Orientation
- Welsh Language\*

\* The Welsh language is not identified as a protected characteristic under the Equality Act 2010, however in Wales we also have to treat Welsh and English on an equal basis as well as promoting and facilitating the use of the Welsh language.

**\*Throughout this Equalities Impact Assessment Form, ‘proposal’ is used to refer to what is being assessed, and therefore includes policies, strategies, functions, procedures, practices, initiatives, projects and savings proposals.**

The aim of an Equality Impact Assessment (EIA) is to ensure that Equalities and Welsh Language issues have been proactively considered throughout the decision making processes governing work undertaken by every service area in the Council as well as work done at a corporate level.

The Council’s work across Equalities, Welsh Language and Human Rights is covered in more detail through the [Equalities and Welsh Language Objectives and Action Plan 2016-2020](#).

When carrying out an EIA you should consider both the positive and negative consequences of your proposals. If a project is designed for a specific group e.g. disabled people, you also need to think about what potential effects it could have on other areas e.g. young people with a disability, BME people with a disability.

There are a number of supporting guidance documents available on the [Corporate Policy Unit Portal](#) and the Council’s Equalities and Welsh Language team can provide advice as the EIA is being developed. Please note that the team does not write EIAs on behalf of service areas, the support offered is in the form of advice, suggestions and in effect, quality control.

## PURPOSE OF THE PROPOSAL

<b>1</b>	<p><b>What is the proposal intended to achieve?</b> <i>(Please give a brief description and outline the purpose of the new or updated proposal by way of introduction.)</i></p> <p>Removal of £17k budget currently utilised by schools for FSM eligible pupils to access outdoor education through Caerphilly Outdoor Adventure (Communities).</p>
<b>2</b>	<p><b>Who are the service users affected by the proposal?</b> <i>(Who will be affected by the delivery of this proposal? e.g. staff members, the public generally, or specific sections of the public i.e. youth groups, carers, road users, people using country parks, people on benefits etc. Are there any data gaps?)</i></p> <p>This budget was established many years ago and is effectively available to be accessed by 86 schools (equates to circa £200 per school). Recent trends illustrate that only a small number of schools (8 in 2017-18) have accessed this funding. In 2017-18 all but one of the 8 schools had a Special Resource Base (SRB).</p> <p>Consequently the impact of removing this funding will not be felt across all schools in the Authority. Other schools are already using their PDG (Pupil Development Grant) funding.</p>

## IMPACT ON THE PUBLIC AND STAFF

<b>3</b>	<p><b>Does the proposal ensure that everyone has an equal access to all the services available or proposed, or benefits equally from the proposed changes, or does not lose out in greater or more severe ways due to the proposals?</b> <i>(What has been done to examine whether or not these groups have equal access to the service, or whether they need to receive the service in a different way from other people?)</i></p> <ul style="list-style-type: none"><li>• Schools currently receive Pupil Development Grant (PDG) funding for deprivation and can consider use of this funding in their planning.</li><li>• In scenario's where a pupil is attending an SRB and the impact is linked to those in danger of an exclusion, this will be picked up as part of the current SRB Review.</li></ul>
----------	--

**4** **Is your proposal going to affect any people or groups of people with protected characteristics?**  
*(Has the service delivery been examined to assess if there is any indirect effect on any groups? Could the consequences of the policy or savings proposal differ dependent upon people's protected characteristics?)*

<b>Protected Characteristic</b>	<b>Positive, Negative, Neutral</b>	<b>Relevance of the Policy or Practice</b>
<b>Age</b>	Neutral	
<b>Disability</b>	Neutral	Consideration given to alternative funding sources
<b>Gender Reassignment</b>	Neutral	
<b>Marriage &amp; Civil Partnership</b>	Neutral	
<b>Pregnancy and Maternity</b>	Neutral	
<b>Race</b>	Neutral	
<b>Religion &amp; Belief</b>	Neutral	
<b>Sex</b>	Neutral	
<b>Sexual Orientation</b>	Neutral	

**5** **In line with the requirements of the Welsh Language Standards. (No.1) Regulations 2015, please note below what effects, if any (whether positive or adverse), the proposal would have on opportunities for persons to use the Welsh language, and treating the Welsh language no less favourably than the English language.**  
*(The specific Policy Making Standards requirements are Standard numbers 88, 89, 90, 91, 92 and 93. The full detail of each Standard is available on the Corporate Policy Unit Portal. Although it is important that what is outlined in the proposal is available in Welsh and English, please consider wider impacts on Welsh speakers.)*

No specific impact linked to this proposal.

## INFORMATION COLLECTION

This can include an analysis of service users.</b> <i>(Is this service effectively engaging with all its potential users or is there higher or lower participation of uptake by one or more protected characteristic groups? If so, what has been done to address any difference in take up of the service? Does any savings proposal include an analysis of those affected?)</i></p> <ul style="list-style-type: none"><li>• Meetings held with all Heads to outline budget proposals for 2019/20 (November 2018).</li><li>• Uptake relates primarily to just 8 schools in the Authority and this is not equitable.</li><li>• Usage &amp; costs incurred by SRB's will be reviewed and considered as part of the SRB Review.</li></ul>
