

EQUALITY IMPACT ASSESSMENT FORM

October 2018

THE COUNCIL'S EQUALITIES STATEMENT

This Council recognises that people have different needs, requirements and goals and we will work actively against all forms of discrimination by promoting good relations and mutual respect within and between our communities, residents, elected members, job applicants and workforce.

We will also work to create equal access for everyone to our services, irrespective of ethnic origin, sex, age, marital status, sexual orientation, disability, gender reassignment, religious beliefs or non-belief, use of Welsh language, BSL or other languages, nationality, responsibility for any dependents or any other reason which cannot be shown to be justified.

The Council is required to have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act 2010
- advance equality of opportunity between people who share a relevant protected characteristic and those who do not
- foster good relations between people who share a protected characteristic and those who do not.

The Act explains that having due regard for advancing equality involves:

- removing or minimising disadvantages experienced by people due to their protected characteristics
- taking steps to meet the needs of people from protected groups where these are different from the needs of other people
- encouraging people with protected characteristics to participate in public life or in other activities where their participation is disproportionately low.

The protected characteristics are:

- Age
- Disability
- Gender Re-assignment
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race
- Religion, Belief or Non-Belief
- Sex
- Sexual Orientation
- Welsh Language*

* The Welsh language is not identified as a protected characteristic under the Equality Act 2010, however in Wales we also have to treat Welsh and English on an equal basis as well as promoting and facilitating the use of the Welsh language.

Further advice on completing impact assessments can be found on the equalities pages of Corporate Policy Unit Portal.

***Throughout this Equalities Impact Assessment Form, ‘proposal’ is used to refer to what is being assessed, and therefore includes policies, strategies, functions, procedures, practices, initiatives, projects and savings proposals.**

The aim of an Equality Impact Assessment (EIA) is to ensure that Equalities and Welsh Language issues have been proactively considered throughout the decision making processes governing work undertaken by every service area in the Council as well as work done at a corporate level.

The Council’s work across Equalities, Welsh Language and Human Rights is covered in more detail through the [Equalities and Welsh Language Objectives and Action Plan 2016-2020](#).

When carrying out an EIA you should consider both the positive and negative consequences of your proposals. If a project is designed for a specific group e.g. disabled people, you also need to think about what potential effects it could have on other areas e.g. young people with a disability, BME people with a disability.

There are a number of supporting guidance documents available on the [Corporate Policy Unit Portal](#) and the Council’s Equalities and Welsh Language team can provide advice as the EIA is being developed. Please note that the team does not write EIAs on behalf of service areas, the support offered is in the form of advice, suggestions and in effect, quality control.

Contact equalities@caerphilly.gov.uk for assistance.

PURPOSE OF THE PROPOSAL

1	<p>What is the proposal intended to achieve? <i>(Please give a brief description and outline the purpose of the new or updated proposal by way of introduction.)</i></p> <p>Currently, the service area has a revenue budget allocation of £39K to manage its portfolio of allotments across the county borough. The provision of allotments is a statutory service.</p> <p>Day to day management of these sites are undertaken by two distinct allotment federations (one covering the east and the other covering the west of the borough). To assist them in undertaking this key role, the Council pays them an annual management grant of £29K (in total).</p> <p>This proposal is to realign the budget by £3K to achieve the savings target identified as part of the Council's overall Medium Term Financial Plan.</p>
2	<p>Who are the service users affected by the proposal? <i>(Who will be affected by the delivery of this proposal? e.g. staff members, the public generally, or specific sections of the public i.e. youth groups, carers, road users, people using country parks, people on benefits etc. Are there any data gaps?)</i></p> <p>The proposed reduction in budget will have no direct impact on members of the public.</p>

IMPACT ON THE PUBLIC AND STAFF

3	<p>Does the proposal ensure that everyone has an equal access to all the services available or proposed, or benefits equally from the proposed changes, or does not lose out in greater or more severe ways due to the proposals? <i>(What has been done to examine whether or not these groups have equal access to the service, or whether they need to receive the service in a different way from other people?)</i></p> <p>The proposed reduction in budget will not directly affect the individual allotment federations however, it diminishes the service's areas ability to respond to requests for items such as new fencing, health and safety works etc. which is not covered within the individual management or tenancy agreements between the Council and its plot holders. This proposed budget realignment would not have any impact on current staffing levels.</p>
----------	--

4	<p>Is your proposal going to affect any people or groups of people with protected characteristics? <i>(Has the service delivery been examined to assess if there is any indirect effect on any groups? Could the consequences of the policy or savings proposal differ dependent upon people's protected characteristics?)</i></p>	
Protected Characteristic	Positive, Negative, Neutral	Relevance of the Policy or Practice
Age	Neutral	No direct impact on members of the public.
Disability	Neutral	
Gender Reassignment	Neutral	
Marriage & Civil Partnership	Neutral	
Pregnancy and Maternity	Neutral	
Race	Neutral	
Religion & Belief	Neutral	
Sex	Neutral	
Sexual Orientation	Neutral	

5	<p>In line with the requirements of the Welsh Language Standards. (No.1) Regulations 2015, please note below what effects, if any (whether positive or adverse), the proposal would have on opportunities for persons to use the Welsh language, and treating the Welsh language no less favourably than the English language. <i>(The specific Policy Making Standards requirements are Standard numbers 88, 89, 90, 91, 92 and 93. The full detail of each Standard is available on the Corporate Policy Unit Portal. Although it is important that what is outlined in the proposal is available in Welsh and English, please consider wider impacts on Welsh speakers.)</i></p> <p>This proposal will not have any effect on opportunities for persons to use the Welsh language and treating the Welsh language no less favourably than the English language.</p>
----------	--

INFORMATION COLLECTION

6	<p>Please outline any evidence and / or research you have collected which supports the proposal? This can include an analysis of service users. <i>(Is this service effectively engaging with all its potential users or is there higher or lower participation of uptake by one or more protected characteristic groups? If so, what has been done to address any difference in take up of the service? Does any savings proposal include an analysis of those affected?)</i></p> <p>Whilst this proposal is to reduce the existing revenue budget by £3K, opportunities to assist individual sites with items such as new fencing, health and safety issues etc. will be still available albeit to a lesser degree.</p>
----------	--

CONSULTATION

7	<p>Please outline the consultation / engagement process and outline any key findings. <i>(Include method of consultation, objectives and target audience. What steps have been taken to ensure that people from various groups have been consulted during the development of this proposal? Have you referred to the Equalities Consultation and Monitoring Guidance?)</i></p> <p>This proposal will be subject to full public consultation as part of the Council's budget setting process.</p>
----------	---

MONITORING AND REVIEW

8	<p>How will the proposal be monitored? <i>(What monitoring process has been set up to assess the extent that the service is being used by all sections of the community, or that the savings proposals are achieving the intended outcomes with no adverse impact? Are comments or complaints systems set up to record issues by Equalities category to be able analyse responses from particular groups?)</i></p> <p>This proposal will be monitored by the service area's management team in conjunction with colleagues in Corporate Finance. Any compliments or complaints received from members of the public and or allotments users will help identify issues and lessen the impact.</p>
----------	--

<p>9</p>	<p>How will the monitoring be evaluated? <i>(What methods will be used to ensure that the needs of all sections of the community are being met?)</i></p> <p>This proposal will be monitored by the service area's management team (in conjunction with colleagues from Corporate Finance) when a need for assistance from individual allotment sites is identified.</p>
<p>10</p>	<p>Have any support / guidance / training requirements been identified? <i>(Has the EIA or consultation process shown a need for awareness raising amongst staff, or identified the need for Equalities or Welsh Language training of some sort?)</i></p> <p>No support/training or guidance has been identified as a direct result of this proposal.</p>
<p>11</p>	<p>If any adverse impact has been identified, please outline any mitigation action.</p> <p>Whilst this proposal is to reduce the existing revenue budget by £3K, opportunities to assist individual sites with items such as new fencing, health and safety issues etc. will be still available albeit to a lesser degree.</p>
<p>12</p>	<p>What wider use will you make of this Equality Impact Assessment? <i>(What use will you make of this document i.e. as a consultation response, appendix to approval reports, publicity etc. in addition to the mandatory action shown below?)</i></p> <p>This document will be appended to the overall budget report, which will be considered by Elected Members through the budget setting process.</p>

13	<p>An equality impact assessment may have four possible outcomes, through more than one may apply to a single proposal. Please indicate the relevant outcome(s) of the impact assessment below.</p> <p style="text-align: right;">Please tick as appropriate:</p> <p>No major change – the impact assessment demonstrated that the proposal was robust; there was no potential for discrimination or adverse impact. All opportunities to promote equality have been taken. <input checked="" type="checkbox"/></p> <p>Adjust the proposal – the impact assessment identified potential problems or missed opportunities. The proposal was adjusted to remove barriers or better promote equality. <input type="checkbox"/></p> <p>Continue the proposal – the impact assessment identified the potential problems or missed opportunities to promote equality. The justification(s) for continuing with it have been clearly set out. (The justification must be included in the impact assessment and must be in line with the duty to have due regard. Compelling reasons will be needed for the most important relevant proposals.) <input type="checkbox"/></p> <p>Stop and remove the proposal – the impact assessment identified actual or potential unlawful discrimination. The proposal was stopped and removed, or changed. <input type="checkbox"/></p>
