Do you have any ideas for how we could provide services differently in the future and how we could work with you and your community to do this?

Why can't schools do video learning?

Community champions to let you know or report where problems are...litter, bins - like with litter picks

Empty the bins, disgusting all over floor.

Turn street lights on. We pay our council tax for this.

Cut the councilors wages

Volunteer snow clearing people. Basic health and safety. Ask for 4 by 4 drivers to help support vulnerable residents with prescriptions and food.

More litter pick groups. Reward those or give them uniform like the man in Ystrad.

Our three are;

- 1) Ben men - apart from when they drop rubbish from the bins and leave it all over the pavement! Overall though they do a fab job.
- 2) Street cleaner - does a fab job.
- 3) I'm not aware of a third sorry

CCBC has been amazing throughout the pandemic, ensuring free meals are delivered to those who need it, people are quick enough to highlight their failings, yet no so quick to give praise. Well done CCBC. And a Merry Christmas to all your staff.
