## **Review of Polling Districts and Polling Places (Parliamentary Elections) Regulations 2006**

Section 17 of the Electoral Registration and Administration Act 2013 introduced a duty on local authorities to 'carry out and complete' reviews of polling districts and polling places before 31 January 2015, and then in the period of 16 months beginning with 1 October of every fifth year after that.

To comply with this duty the review in the Caerphilly County Borough will be conducted between 1 July 2014 and 12th December, 2014.

We would like to invite initial comments from electors regarding the convenience of voting at polling stations currently used for elections and would welcome suggestions for alternative sites.

The review will seek to establish how suitably placed the polling stations are within each electoral area making specific reference to both disability and accessibility issues. We would welcome representations or comments on the authority's proposals from any person or body with expertise in access for persons with any type of disability.

As part of the review the Returning Officers for the three constituencies located within the County borough will make comments on the proposed polling stations.

Further information, including any comments by the Returning Officers, about the review will be published on [www.caerphilly.gov.uk](http://www.caerphilly.gov.uk). An information pack giving information about each station is also available.

Submissions can be made by in writing to - Polling Review, Caerphilly County Borough Council, Dyffryn House, Dyffryn Business Park, 5A Alder Avenue, Ystrad Mynach, Hengoed or by email to – [electoralservices@caerphilly.gov.uk](mailto:electoralservices@caerphilly.gov.uk)

**All responses to Stage 1 of the review must be submitted by Friday 15<sup>th</sup> August 2014.**

## Elections – Polling Arrangements

### Review of polling districts and polling places/stations 2014

Background information

## **The Reason for the Review**

Section 17 of the Electoral Registration and Administration Act 2013 introduced a duty on local authorities to 'carry out and complete' reviews of polling districts and polling places before 31 January 2015, and then in the period of 16 months beginning with 1 October of every fifth year after that.

To comply with this duty the review in the Caerphilly County Borough will be conducted between 1 July 2014 and 12th December, 2014.

Under the Representation of the People Act 1983, the Electoral Administration Act 2006 and the Review of Polling District & Polling Places (Parliamentary Elections) Regulations 2006, Caerphilly County Borough Council has a duty to divide the district into polling districts and to designate a polling place for each polling district.

## **What Is A Polling District?**

A polling district is a geographical area and the legislation requires that each community must be a separate polling district. If the community is large, in order to provide easy access, it can be divided into smaller polling districts.

## **What Is A Polling Place?**

A "polling place" is the geographical area, in which a polling station is located. There is no legal definition of what a polling place is. The geographical area could be defined as tightly as a particular building or as widely as the entire polling district. The Council has defined each polling district as the polling place rather than a particular building for practical purposes but this policy will be reviewed in this review process. Polling places should be within the polling district unless it is not possible to find a suitable place with the area.

## **What Is A Polling Station?**

A polling station is the actual area where the process of voting takes place, e.g. a room in a community centre or school.

## **How the Review Is Conducted**

The review will take place between 1 July 2014 and 12th December, 2014..

The Returning Officer will be consulted on the current arrangements and will make representations on the existing polling stations used. His comments will be published as part of the review process.

County Councillors, Community Councils, local political parties, residents and views from such persons who have particular expertise in relation to access to premises are invited to submit their representations.

## **What Is Not Covered by the Review**

Neither the boundaries of parliamentary constituencies nor the boundaries and names of local authorities and electoral areas within Caerphilly will be part of the review.

## **The Role of the Electoral Commission**

The Commission does not have a role in the review process itself. However, it can consider comments if people do not think the review has met the reasonable requirements of electors or taken sufficient account of the needs of disabled electors.

The following people can refer concerns to the Commission:

- a Community Council
- 30 or more registered electors
- any person who has made comments during the review
- any non-elector who has expertise in access to premises or facilities for disabled persons

As a result the Commission may direct the local authority to alter polling places arising from the review and can make these alterations itself if the Council does not do so within two months.

### **Timetable for the Review**

Start of review	1 <sup>st</sup> July, 2014
Initial Representations to be received by Electoral Services and Returning Officers' comments published	15 <sup>th</sup> August, 2014 September 12 <sup>th</sup> , 2014
Revised arrangements come into force	12 <sup>th</sup> December, 2014

### **Making Comments**

Comments do not have to be restricted to alternative proposals; support for the current arrangements is also welcome. When making representations it would be helpful to the Council for you to provide as much relevant information as you can about your current polling place/station, including how convenient (or not) its location is in relation to where you live, whether there is adequate parking, what access is available for disabled and/or wheelchair users and how suitable overall it is for voting. Please also indicate whether there are any other suitable premises that could be used.

Comments should be made in writing to: Polling Review, Caerphilly County Borough Council, Dyffryn House, Dyffryn Business Park, 5A Alder Avenue, Ystrad Mynach, Hengoed or by email to – [electoralservices@caerphilly.gov.uk](mailto:electoralservices@caerphilly.gov.uk) . A feedback form is also available for submission as part of this consultation pack or from the above address.
