Ref: 01/2016

15th September 2016

To: Heads of Environmental Health Services via Lead Officer for Food Safety and Directors of Trading Standards

Please copy to all Local Authority Officers with a possible interest.

RECALL OF CHEESE SUPPLIED BY ERRINGTON CHEESE LTD

Heads of Environmental Health Services and Directors of Trading Standards should be aware that Errington Cheese Ltd. has supplied unpasteurised milk cheese which may contain potentially harmful *E. coli*.

Both O157 and non-O157 strains of *E. coli* have been detected in different types of cheeses produced by Errington Cheese Ltd. This makes these products a potential risk to health.

Identification of the product:
