PRODUCT RECALL INFORMATION NOTICE

Ref: PRIN 45/2016

Date: 27 July 2016

Abbott Nutrition recalls two batches of its PaediaSure Plus Fibre Vanilla Flavour 200ml bottle and its PaediaSure Plus Fibre Banana Flavour 200ml bottle because the product in some bottles may not have received sufficient sterilisation

Abbott Nutrition is recalling two batches of its PaediaSure Plus Fibre Vanilla Flavour 200ml bottle and its PaediaSure Plus Fibre Banana Flavour 200ml bottle on a precautionary basis because the product in some bottles may have different texture or consistency due to compromised sterility. This is a food for special medical purposes for use under medical supervision, and not for general sale by retail.

Risk: The products below may be unsafe due to insufficient sterilisation.

Product details:

Product Description: PaediaSure Plus Fibre Vanilla Flavour
Pack size: 200ml recloseable plastic bottle
Batch code: 64786NR
Best before: End April 2017

Product details:

Product Description: PaediaSure Plus Fibre Banana Flavour
Pack size: 200ml recloseable plastic bottle
Batch code: 64751NR
Best before: End April 2017

Action taken by the Company:

Abbott Nutrition is recalling the affected batches of these products from the market. As part of the recall, Abbott Nutrition have contacted wholesalers, hospitals and individual patients supplied with the affected batches.

No other batches of PaediaSure Plus Fibre Vanilla or Banana Flavours or other PaediaSure or Abbott Nutrition products are known to be affected.

Advice to consumers:

For more information or for queries regarding this issue please contact Abbott Nutrition Customer Services on 0333 600 1795.
