CAERPHILLY COUNTY BOROUGH COUNCIL

Notes for organising a road closure to hold a street party for the
Platinum Jubilee 2nd – 5th June 2022

Street parties are a traditional part of community life; they are a simple way for people to get to know their neighbours and meet members of their community.

The council wants to make it easier for people to hold such an event to celebrate the Platinum Jubilee between 2nd – 5th June 2022. It has therefore produced this simple guide on how to hold a small street party in your local community/street. It includes an application and indemnity form to complete and return to Caerphilly County Borough Council, so you can get on with the real work of organising your street party.

Organising small, private street parties is very simple and generally does not include activities that need a licence, such as selling alcohol or providing certain types of entertainment.

If you want to sell alcohol or intend to provide entertainment to the wider public, or charge to raise money for your event or hold a larger public event, you will need to apply through a different process formally, via the Event Safety Advisory Group (ESAG). Details of the ESAG can be found at www.caerphilly.gov.uk/Things-To-Do/Events/Planning-an-event

The council wants to support street parties, but you need to ensure applications are submitted urgently.

If you would like to hold a small street party to celebrate the Platinum Jubilee, use the application form enclosed to notify the council of the planned event (street party) and apply for any road closure(s) that is required.

In order to hold a street party on or within the highway you must seek permission and obtain approval from the council to ensure you can legally and safely close the street to traffic.

The number one tip for holding a street party is to plan and commence preparations early. Think about what you want to achieve, then submit the application form to Caerphilly County Borough Council no later than 3rd May 2022.

Only residential cul-de-sacs or other minor roads which are not used for through traffic routes will be considered for closure under this simplified process.

ROAD CLOSURE SIGNAGE/CONES/BARRIERS

All signs, cones and barriers must conform to the 'Traffic Safety Measures and Signs for Road Works and Temporary Situations' 2009/20 (Traffic Signs Manual – Chapter 8) <http://www.dft.gov.uk/pgr/roads/tss/tsmanual/> and only appropriately trained and competent operatives, supervisors, managers, or other competent persons should be engaged in the assessment, design, setting up, maintaining and removing of signing of temporary traffic management. Examples of the road closure signs, cones required and a photograph showing what may be considered an absolute minimum arrangement for a street closure is shown overleaf.

ROAD CLOSURE SIGNAGE/CONES/BARRIERS

Note: Unfortunately, Caerphilly County Borough Council are unable to provide you with the appropriate signs/cones/barriers. However, there are numerous Traffic Management companies located in the surrounding area which would undoubtedly be able to provide you with this service.

A plan showing details of the proposed traffic management measures must be submitted with your application.

CONSULTATION (directly affected residents within the closure area)

Have residents been consulted on the event and/or road closure YES or NO
(Please delete as necessary)

The council wants to ensure the majority of people are happy with the planned event (street party). However, not everyone will be able or wish to participate in the event, so it is advisable to let everyone know exactly what time the party will start and end (NOTE - road closures will only be effective between 10:00am and 8:00pm on the day).

A suggested method of consultation is via a letter drop to directly affected residents notifying them of the full details of the event (street party) so that everyone is fully informed. An example letter is shown below:

Dear Neighbour,

Re: Platinum Jubilee street party in our street on XX June 2022

I write to inform you that **(I am/we are)** planning to hold a street party in our street to celebrate the Platinum Jubilee on XX June 2022. **(I / we)** will be making an application to Caerphilly County Borough Council to authorise a closure of our road to traffic from 10:00am to 8:00pm on that day.

We are informed by the council that such closures must maintain pedestrian access and allow access at all times for Emergency Services vehicles. As far as reasonably practicable, access for residents to get their vehicles to and from their properties should be accommodated along with any other specific access requirements that maybe necessary on the day. Arrangements are being made to place road closure signs, cones and barriers to close the road(s) and let motorists know that the road is closed for our street party.

Now that we have made you aware of the proposed arrangements, we hope you will join us at the party, which will take place at **(insert party arrangements)**. With your support we hope the street party will be a great way of celebrating the Platinum Jubilee.

However, if you have any questions, concerns or objections about these arrangements, please contact me on **(insert telephone number)**.

With kind regards,

Event Organiser/Neighbour
