PLEASE PROVIDE A BRIEF DESCRIPTION OF HOW THE SAVING CAN BE ACHIEVED:

--

Consider the 5 ways of working think about the *long-term* implications for future generations and *preventative services* while recognising that savings now will secure future services. **NB* IT IS IMPORTANT TO RECOGNISE THE SIGNIFICANT FINANCIAL CHALLENGE FACING THE COUNCIL.**

Long-term guidance: Consider the importance of balancing short-term needs with the need to safeguard the ability to meet long-term needs, including the future financial sustainability of the Council.

No long term impact

Prevention guidance: Consider whether the proposed saving is affecting a preventative area that reduces future burdens and supports well-being and how this can be mitigated if the service reduces, or ceases.

PLEASE DETAIL ANY CONSULTATION THAT HAS BEEN UNDERTAKEN IN CONSIDERING THIS PROPOSAL. Summarise any feedback received.

Consider the 5 ways of working, in particular, *involvement*.

Involvement: Consider whether you have involved people who have an interest in the service area, including service users and potential service users.

This is a budget alignment and has been agreed with respective budget managers. There is no impact on service users.

Update following a period of public consultation:
 The council’s public consultation on the draft budget proposals for 2024/25 ran from Monday 22nd January 2024 until Tuesday 13th February 2024.
 Residents and other stakeholder groups were invited to offer their views on the proposals in a number of ways. This included a survey (available online and in paper formats), attending face-to-face engagement sessions, using the council’s online digital engagement platform and targeted stakeholder engagement with potentially impacted groups.
 337 responses to the consultation were received by the closing date. A low response rate such as this comes with the caveat of self-selecting bias in the response and local media has focused attention on a small number of issues.
 Face-to face conversations have had low levels of attendance (less than 10 visitors per session) with the exception of Caerphilly where over 40 people attended. A meeting was held with 9 Viewpoint Panel members and one person attended an online drop-in session.

The full consultation feedback report will be available at [Council Budget Setting 2024-2025 | The Caerphilly Conversation](#)

IS FURTHER CONSULTATION REQUIRED BEFORE THIS PROPOSAL CAN BE IMPLEMENTED?

No

NB* Please seek guidance from the [Insights and Intelligence Team](#), who can advise on whether a formal consultation is required and adherence to the Gunning Principles.

Collaboration guidance: Acting in collaboration with any other service or partner to meet objectives where they may be able to deliver a broadly equivalent service.

Agile working contributes to the Councils Decarbonisation Strategy as there is less travel and less use of the office.

PLEASE DESCRIBE YOUR PLANS TO MITIGATE THE **IMPACT UPON MEMBERS OF STAFF:**
