

Cost of Living - Here to help YOU

Residents across the county borough continued to receive significant support over the winter months as families faced the pressures of the ongoing cost of living crisis.

The council has been doing all it can to offer advice, support and financial assistance to all those eligible for help through a variety of support packages.

The Leader of Council, Cllr Sean Morgan is committed to ensuring this support continues as we emerge from the winter, "It's encouraging to see the support that has been made available to the community over recent months and we will continue to do all we can to ensure the council and other agencies maintain this level of support going forward."

"The cost of living crisis continues to bite, but hopefully the impact will lessen as we enter the spring – particularly in relation to energy and heating bills."

"It's clear to see from these impressive statistics that that much is being done to support the community and I want to reassure everyone that this local authority will continue to work hard to support everyone through this difficult time."

The council has developed a 'one stop shop' on the **CCBC website** where lots of cost of living support measures can be found in one place:

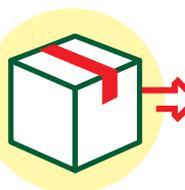

www.caerphilly.gov.uk/cost-of-living-support

This latest edition of Newsline follows on from an initial 'Cost of Living' special edition that was distributed to all households at the end of last year. Once again, you will find lots of useful information, support and guidance in this publication, so please ensure you are receiving all of the support you are entitled to.

Some of the key figures include:

 **£4.3 million** issued to 21,000+ residents in Winter Fuel Support payments

 **£2.1 million** generated in additional income for local people

 **450+** 'warm packs' distributed to vulnerable residents

 Help for local people to reduce their personal debt - **over £430k** total debt reduction

 **580+** residents provided with advice in relation to claiming Universal Credit

 **250+** residents supported to claim emergency payments from Welsh Government

 **£144k** to support the creation of 50 'warm hubs' / welcoming spaces'

Getting help with your energy bills

As a council we are committed to helping our residents reduce their utility bills and keep warm, well and connected.

Energy and Utility suppliers

Clients in debt to their energy supplier might be able to get a grant to help pay it off. However, many of the energy suppliers require you to first seek advice from a recognised debt advice charity.

The following energy and utility suppliers offer grants to their customers:

- British Gas Energy Support Fund britishgasenergytrust.org.uk/grants-available
- EDF Energy Customer Support Fund www.edfenergy.com/PSR
- E. ON Energy Fund www.eonenergy.com/more-for-your-home/energy-fund.html

- Welsh Water Helpu Tariff - www.dwrcymru.com/en/support-with-bills/helpu-tariff
- Western Power Distribution Priority Services www.westernpower.co.uk/customers-and-community/priority-services

Payment Plans

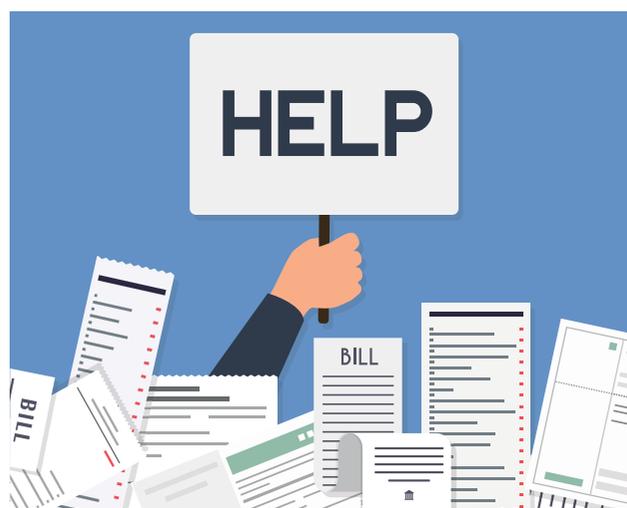

If you're struggling to pay your gas or electricity bill, it's worth talking to your energy supplier about setting up a payment plan that works for you. You'll pay fixed amounts over a set period, so you can pay what you can afford. Your supplier must consider how much you can afford to pay and how much energy you'll use in the future.

Water bills

If you're having trouble affording to pay your bill, please don't ignore it. Dŵr Cymru / Welsh Water have several ways we may be able to help you and make your bills more affordable. Support includes payment plans and water rate reductions.

Website: www.dwrcymru.com/en/support-with-bills or call **0800 052 0145** to sign up for Priority Services.

Help with phone and internet costs

Social tariffs are cheaper broadband and phone packages for people claiming Universal Credit, Pension Credit, and some other benefits. Some providers call them 'essential' or 'basic' broadband. You can check and apply for low-cost internet and phone tariffs on the Ofcom website www.ofcom.org.uk/phones-telecoms-and-internet

Welsh Government Discretionary Assistance Fund

The Discretionary Assistance Fund provides two types of grants that you do not need to pay back as follows: -

Emergency Assistance Payment (EAP)

A grant to help pay for essential costs, such as food, gas, electricity, clothing or emergency travel if you:

- are experiencing extreme financial hardship
- have lost your job
- have applied for benefits and are waiting for your first payment

You cannot use it to pay for ongoing bills that you cannot afford to pay.

Individual Assistance Payment (IAP)

A grant to help you or someone you care for live independently in their home or a property that you or they are moving into. What you can use the grant for.

Use the grant to pay for:

- a fridge, cooker or washing machine and other 'white goods'
- home furniture such as beds, sofas and chairs
- Visit Discretionary Assistance Fund (DAF) GOV.WALES for advice on how to apply. www.gov.wales/discretionary-assistance-fund-daf

Age Cymru

Age Cymru has several resources that can help you with your energy bills. Call **0800 678 1602** or go to www.ageuk.org.uk/cymru/

Energy scams

Scammers try to get hold of your personal information or bank details, by pretending to: -

- be a supplier offering a refund.
- be from Ofgem - asking for information so you can get the £400 energy rebate.
- be a debt collector asking for money owed to a supplier that's gone bust.
- offer green home improvement grants.
- offer energy investment opportunities.
- offer cheap prepayment meter top-up keys or cards.
- offer energy-saving devices.

Check if something is a scam on the Citizens Advice website www.citizensadvice.org.uk/decision-trees/scams/

Getting support with food and essentials

Using a foodbank

Food banks are a charitable organisation that can help if you can't afford the food you need. You'll usually need to get a referral to a food bank before you can use it. This includes all food banks run by the Trussell Trust. For a referral for food bank support please call our Caerphilly Cares Team on **01443 811490** or email caerphillycares@caerphilly.gov.uk between Monday - Thursday (8.30am-5pm) and Friday (8.30am - 4.30pm). Alternatively, you can get a referral and vouchers from Citizens Advice, JobCentre Plus, GP surgeries, health visitors and social workers which can be used at your local food bank.

Trussell Trust Foodbanks

Trussell Trust Foodbanks all require referrals through approved organisations such as social services, housing associations etc.

Welcoming Spaces

In recognition of the difficulties that residents are facing as a result of the ongoing Cost of Living crisis, Caerphilly County Borough Council in partnership with the community and voluntary sector has set up a network of Welcoming Spaces (also known as Warm Hubs) across the county borough.

Each Welcoming Space may look different, whether they choose to offer activities, support or even hot food and drink – but all will share the ethos of offering a warm place and a friendly face this winter. These include libraries, community centres, church halls, sports clubs and other places promising a warm welcome to anyone struggling to heat their home. Welcoming Spaces are totally free to use and will provide a warm welcome to all.
