Introduction

The aim of the Directorate of Education & Corporate Services is to secure equality of access through promoting and supporting the development of inclusive education and giving a commitment to providing quality education and services within available resources.

The information contained within this booklet relates to the school year 2023 / 2024 and is correct at the time of publication. Although published initially to comply with the requirements of the Education Acts 1980 -1998, and appropriate regulations deriving thereof, it also sets out details in relation to many aspects of education within the Caerphilly County Borough Council area.

Schools have their own prospectus, and parents are encouraged to speak with the Headteacher in order to gain further information about the school. The Education Officers within the directorate will also help whenever necessary.

It is hoped that the information on admissions and appeals arrangements, together with the information about each individual school, will assist parents when choosing a school.

The Directorate of Education & Corporate Services would like to assure parents that the Council will deal with each application in a fair and equitable manner, using the criteria outlined in the booklet.

Section 1 - Important Dates

School Term Dates and Holidays 2024-25

Autumn Term 2024

Term starts Monday 2 September 2024

Half term starts Monday 28 October 2024

Half term ends Friday 1 November 2024

Term ends Friday 20 December 2024

Spring Term 2025

Term starts Monday 6 January 2025

Half term starts Monday 24 February 2025

Half term ends Friday 28 February 2025

Term ends Friday 11 April 2025

Summer Term 2025

Term starts Monday 28 April 2025

Half term starts Monday 26 May 2025

Half term ends Friday 30 May 2025

Term ends Monday 21 July 2025

In addition to the above dates, six staff training (INSET) days are available to be used at each schools' discretion. Parents should contact the school to determine when these are likely to be.

Timetable for admissions to schools September 2024

Admission to Secondary School

Forms available online 1st September 2023
Closing date for applications 27th October 2023
Parents notified of outcome 1st March 2024*

Admission to Primary School

Forms available online 1st September 2023
Closing date for applications 15th December 2023
Parents notified of outcome 16th April 2024*

Admission to Nursery

Forms available online 1st September 2023
Closing date for applications 23rd February 2024
Parents notified of outcome End of May 2024*

* These dates apply to the outcome of on-time applications.

Section 2 – Admission Policy

School Admissions

In line with the School Standards and Framework Act 1998, subsequent legislative updates and Welsh Government's (W.G.'s) Schools Admissions Code, these admission arrangements will aim to ensure that:

- Parents' preference for the schools of their choice is considered in the context of a legislative framework, which has regard to the provision of efficient education and the efficient use of resources.
- Admissions criteria are clear, fair and objective, for the benefit of all children including children with special educational needs or with disabilities.
- Local admission arrangements contribute to improving standards.
- The Local Authority (L.A.) consults with neighbouring Admission authorities and co-ordinates arrangements, including the rapid reintegration wherever reasonable of children who have been excluded from other schools.
- Parents have easy access to helpful admissions information.

The L.A.'s admission arrangements seek to achieve full compliance with all relevant legislation and guidance, including legislation on infant class sizes and equal opportunities (Equalities Act 2010, the Human Rights Act 1998 and the Welsh Language Act 1993) and take full account of the guidance in the Code issued by the Welsh Government.

The Equality Act 2010 and Caerphilly County Borough Council's (CCBC) Strategic Equality Scheme emphasises the legal general duty the Council and its partners have to:-

- eliminate unlawful discrimination.
- promote equal opportunities.
- promote good relations and mutual respect.

This Council will work actively against discrimination and seek to create equal access to its services for all; irrespective of ethnic origin, sex, age, marital status, sexual orientation, disability, gender reassignment, religious beliefs or non-belief, language, nationality, responsibility for any dependents or any other reason which cannot be shown to be justified.

Choosing a School

The entry of children to schools is controlled and administered by an 'Admissions Authority'. In the case of Community Schools, this is the Caerphilly County Borough Council (the LA). In the case of the one Voluntary Aided School (St. Helen's Roman Catholic Primary School) the Admissions Authority is the Governing Body of the school. Within the County Borough, each school has an area that it traditionally serves called the "catchment area". In line with legislation, LAs must allow all parents the opportunity to express a preference for the school they wish their child to attend.

Parents may exercise their right to express a preference at the following times:

- On admission to an infant school or the infant department of a primary school.
- On transfer from infant to junior school or infant school to junior department of a primary school.
- On transfer from junior or primary to secondary school.
- When parents wish to transfer their child from one school to another.

Parents may also express a preference for their child to attend a Voluntary Aided School.

Note - Pupils who reside within a defined catchment area of a school do not have an automatic right to attend that school. An application must be made, and the placements will be allocated in accordance with the L.A.s admissions procedure.

The LA (in the case of Community Schools) and School Governing Body (in the case of Voluntary Aided) must comply with any preference, which is expressed, provided there is room within the school. However, the decision to admit pupils, must take account of:

- the overall provision of efficient education and efficient use of resources.
- whether it is a co-educational or single sex school.
- Section 87 of the School Standards and Framework Act 1998 (and subsequent legislative updates and WGs Schools Admissions Code), which also allows an admission authority to refuse to comply with parental preference for a period of two years following a second or subsequent exclusion.
- where to admit would be incompatible with the duty to meet Infant class size limit of 30 because the admission would require measures to be taken to comply with those limits which would cause prejudice to efficient education or efficient use of resources.

The local catchment areas for schools providing primary education are normally grouped together to form a linked catchment area for each maintained secondary school (see page 41).

Note - Admission or attendance at the feeder junior/ primary school does not provide automatic entry to the chosen secondary school. All parents are required to complete admissions forms at the appropriate time.

All schools within the L.A. aim to provide their pupils with an educational opportunity, which is best suited to each individual child. Some pupils will, however, have learning needs requiring special educational provision. In some instances, parents will already be receiving specialist support and guidance regarding the choice of school for their child.

All parents, however, are encouraged to discuss possible areas of concern with their local Headteacher who may then seek specialist advice.

Welsh Medium Schools

All of the above arrangements apply equally to Welsh Medium schools within the Authority.

Admission to Welsh medium primary schools is not dependent upon the parents or pupils being fluent Welsh speakers.

There are currently 11 Welsh medium primary schools within the LA whose catchment areas cover the entire LA's boundary and are not restricted to the catchment areas of the local English medium school. Ysgol Gyfun Cwm Rhymini will provide Welsh medium secondary education to all CCBC resident pupils, subject to parental preference.

Admission Limit

All maintained schools will admit pupils up to their admissions number. A child will normally be offered admission to the school of the parents' preference unless applications exceed the admission number, when this occurs all applications for that school will be assessed against the oversubscription criteria.

The normal ages for admission to CCBC schools are:

- Age 3/4 in Nursery;
- Age 4/5 in Infant and Primary Schools;
- Age 7/8 in Junior Schools;
- Age 11/12 in Secondary Schools.

Note - You will need to submit an online application at each of the above stages.

Where you submit an application for your child to attend Reception at a Primary School, an application will not be required for them to attend the Junior phase. Likewise, if you submit an application for your child to attend Reception at Idris Davies 3 to 18 School, you will not need to submit an application for the Junior or Secondary phase.

The L.A.'s policy is to provide all 3- to 4-year-old children in the Caerphilly County Borough an entitlement to a funded part-time nursery place at their local infant or primary school.

Oversubscription Criteria

Where we receive more applications than places available, places are allocated in the following order:-

1. Looked After Children (children in public care) and those who were previously Looked After Children.
2. Those children who live in the school's catchment area on or before the published closing date.

Note: Those children who live within the school's catchment area and have a sibling already attending the school will be admitted first (the sibling must be of statutory school age), and then those children who live within the school's catchment without a sibling will be admitted.*

3. Children with siblings* living in the same household attending the school in September 2023. The sibling must be of statutory school age.
4. After taking account of the above categories, priority will be based on the closeness to the school measured automatically by the L.A.'s G.I.S (Geographical Information System).

Distance is measured from the grid reference of the property to the grid reference of the school (as recorded in the GIS system). *If the L.A. has the situation where any home addresses calculate the same distance, then a trundle wheel will be used to establish the nearest address.*

**A sibling is a child who is the brother/sister, half-brother/sister (children who share one common parent), stepbrother /sister where two children are related by marriage. This definition also includes adopted or fostered children living at the same address.*

It should also be noted that any pupils with a statement of special educational needs or an Individual Development Plan (I.D.P.) that specifies that they must attend a specific school in order that their needs can be met will also be admitted.

Addresses

When considering whether a child lives in a school's catchment area, the address considered is that of the parent or legal guardian, irrespective of a family's domestic arrangements. i.e. the address of another relative or childminder etc. must not be given. In certain cases, it may be necessary to provide evidence relating to the child(ren) in question, to show the home address of the child(ren).

Note - Where parents have shared responsibility for a child, and the child lives with both parents for part of the week then the home address will be determined as the address to which the Child Benefit is paid. Parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.

Note - The address must be an address that is occupied by the family - it cannot be a property that is just owned or purchased by the family.

Multiple Birth Children (e.g., twins or triplets)

If when applying the oversubscription criteria, the last child to be admitted is one of a multiple birth e.g. twin or triplet then the LA will also admit the other sibling(s).

Children of UK Service Personnel

Children of UK service personnel will be treated as in catchment if their application form is accompanied by an official Ministry of Defence (MOD) letter declaring a definite return date and confirmation of the new address. Pupils from outside the school's catchment area will be admitted in accordance with parental preference if the Admission Number of the school, class or unit has not been reached and, if selection is necessary, the criteria shown above will be used.

Children with a Statement of Special Educational Needs or an Individual Development Plan

The Local Authority is required by the Education Act 1996 to admit to the school a child with a Statement of Special Educational Needs that names the school and from 1 September 2021, section 48 of the 2018 Additional Learning Needs and Education Tribunal (Wales) Act requires the governing body of a maintained school in Wales to admit a child to the school if the school is named in the child's individual local authority development plan for the purpose of that section, which is to secure the child's admission to the school. This duty applies despite the limits on infant class sizes and even if admitting the child would result in the school exceeding its admission number. The duty to admit applies at all times, including where a school is named in a plan outside the normal admission round.

Waiting Lists

Following the allocation of places during the normal admission round any pupil that is refused admission to an oversubscribed school will remain on a waiting list for placement until the 30th September of that school year and, should a placement become available, the placement will be allocated in line with the authority's oversubscription criteria. After the 30th September parents will need to make a new application for admission to their preferred school.

Primary Education

Every child is required by law to receive full time education from the beginning of the school term after his/her fifth birthday. In CCBC, however, all children are able to start school full time at the beginning of the school year (September) in which they become five i.e. between the 1st September and the 31st August. Parents are able to defer the start of a child until the term following their fifth birthday.

All children are able to attend school on a part time basis in the September following their third birthday. Children between the ages of 3/4-11 are recognised as pupils receiving primary education. In Caerphilly County Borough, primary education is provided either in separate infant or junior schools, or in primary schools with one complete 3/4 -11 age range.

Reduction of Infant Class Sizes

Choosing a school for the first time for a young child is especially important, both for parents and for children themselves. In accordance, with Infant Class Size Legislation, infant classes at a maintained school should contain no more than 30 pupils where a teaching session is managed by a single qualified teacher (or where the session is managed by more than one qualified teacher, no more than 30 pupils for every teacher).

Admission to an Early Years Placement at a Nursery School

Children born between the 1st September and the 31st March maybe entitled to an Early Years placement (term after their 3rd birthday) at their local Primary/Infant school dependent on availability.

Where a school has reached their Admission Number in their current nursery and where the in-catchment pupils exceed 70%, only pupils who reside within the schools catchment area will be admitted into an Early Years placement.

Note - Admission into an Early Years place in either the Spring or Summer term does not entitle your child to continue in the nursery year at the school. An application for admission into the nursery year at the school will need to be made at the relevant time.

Admission to Nursery School

The number of places available in a nursery year is set by the LA and the decision whether to admit your child will be taken in accordance with the LA's guidelines.

Note - Pupils who are admitted into a nursery year will not have an automatic right to continued education within that school. A formal application must be made for entry into the reception year at the appropriate time.

Admission to Infant Schools or Infant Department within Primary Schools

Pupils who attain the age of five during the school year may be admitted to an infant school/department, at the commencement of the school year in September. Pupils admitted to a separate infant school will not have an 'automatic' right to continued education at the feeder Junior School which serves the same catchment area. Whilst every effort will be made to accommodate such pupils, a formal application must be made for transfer to the Junior school at the appropriate time.

Transfer to Junior Schools

Children enter or transfer to a Junior School on the first day of the Autumn term following their seventh birthday. In Primary Schools the infant and junior sections are simply departments of the same school and children progress through the school from the infants to juniors without having to transfer elsewhere.

Whilst every effort will be made to accommodate such pupils, a formal application must be made for transfer to the Junior school at the appropriate time.

Changing Schools: Primary Education

Changing schools during primary education is a significant step for your child to take. In the case of moving the family home, such a decision may well be a necessity and you will need to contact your local school or the Directorate of Education and Corporate Services for assistance. If, however, you would like your child to transfer from one school to another, please contact the Headteacher of your child's current school first. Should you still wish to proceed with these transfer arrangements; you can apply at <https://caerphilly.gov.uk/schooladmissions>

If there is a suitable vacancy, your child will be admitted to the school. Parents should note, however, that classes may include more than one age group and the Headteacher will have the task of locating your child in the most appropriate class.

Admission to Secondary Schools

Children normally transfer from primary school to secondary school at the beginning of the school year following their eleventh birthday. If your child was born between 1st September 2012 and 31st August 2013, she/he will transfer to secondary school in September 2024. Headteachers of primary schools will be able to inform parents of the secondary school which their children should normally attend. It should be noted that the home address denotes which school is the 'catchment' school and not the primary school attended. Whilst every effort will be made to accommodate pupils, an application must be made for transfer to secondary schools at the appropriate time.

Changing Secondary School

Changing secondary schools is a significant step for your child to take. In the case of moving the family home, such a decision may well be a necessity and you will need to contact your local school or the Directorate of Education and Corporate Services for assistance. If however, you would like your child to transfer from one secondary school to another, please contact your present Headteacher first. Should you still wish to proceed with these transfer arrangements; you must contact the Directorate of Education and Corporate Services for advice in making your application, which will then be required in writing. In considering your request for transfer, the LA will review the number of pupils in the year group relevant to your child. If the child is in years 10 or 11, the range of subject options chosen may also be a factor. If that particular year has not reached the school's admissions number, then your child will be admitted to the school. Parents should note, however, that curriculum option choices may vary from school to school.

Applying for a Place

When you apply for a place at a particular school, you must complete the relevant application form online at <https://www.caerphilly.gov.uk/schooladmissions>

You must apply by the closing date for admission in September 2024.

If you require assistance with completing the form, please contact the school admissions team on 01443 864870.

The LA will inform you whether, or not it is possible for your child to attend your preferred school. Each school produces a prospectus, which contains relevant information including school aims and educational beliefs, the organization of the school and curriculum opportunities, including out of school activities. This school prospectus is available from the Headteacher.

Late Applications

Any applications that are received after the closing date for admission will be refused if the school is oversubscribed unless the family has just moved into the catchment area and the application is received before the offer of places are made. If the application is received after the places have been offered and documented evidence is provided to demonstrate that the family have moved into the catchment area of the school the pupil will be given higher priority on the waiting list. Places will then be allocated using the authority's oversubscription criteria.

Note - If you apply after the closing date, your child could miss out on a place at your preferred school. All available spaces will be allocated to on-time applicants first.

Withdrawing Offers of Places

The offer of a school place will be withdrawn on the basis of a fraudulent or intentionally misleading application being received (e.g. falsely claiming to reside within a catchment area of a school).

Parental Disputes

The Admissions Authority will not become involved in any parental disputes. Where there is a disagreement between those with parental responsibility, this will be a matter to be resolved via the Family Court.

Sixth Form Admissions

The admission of Sixth Form pupils to Community Schools is determined by individual schools. Therefore, applications should be made directly to the school.

What Happens if your Child is Refused a Place?

In the vast majority of cases children are offered places at their parents' first choice of school. If, however, your child is unable to gain admission, you will need to

decide whether you are willing to accept a place offered at a different school, or whether you wish to continue with your first application. If you choose the latter course, you may appeal to an Independent Appeal Panel. This Independent Appeal Panel will judge whether the school is full and, should that be the case, whether the parent's application is so strong that the child should still be offered a place.

Note - There is no right of appeal for Nursery places.

Registering your Appeal

You may make a formal appeal against the LA's decision, but this must be received within 28 calendar days of you being notified of the decision not to admit your child to your chosen school. You should forward this appeal to schooladmissions@caerphilly.gov.uk

The LA will refer the appeal to the Council's Legal Department who will arrange for the appeal to be heard by an Independent Appeal Panel and will set a time and place for the hearing. The Panel will afford parents an opportunity of appearing and making their representations (oral and/or written). Parents are able to seek admission to an alternative school whilst they are pursuing an appeal.

Parents, however, are advised that: -

- They may elect not to attend the appeal meeting and, instead, allow the appeal to be considered on a written statement.
- The outcome of the appeal will be decided on the information available.
- They will be given at least fourteen days (from the date of posting) written notice of the meeting of the Appeal Hearing.
- They are welcome to be accompanied by a friend, or represented by a solicitor, but that, in the latter case, the Directorate of Education and Corporate Services should be informed at least seven days before the hearing.
- A separate Appeal Panel hears appeals against decisions of the Governing Body of a Voluntary Aided or Foundation School. Guidance on such an appeal should, therefore, be sought from the school concerned.
- Please note that limitations will be placed on the powers of the appeal panel to allow appeals against the refusal to admit a child to a school where infant class size legislation applies.
- The LA will not consider a second appeal application unless there is a significant change in circumstances (which will need to be evidenced).

St. Helen's Roman Catholic Primary School Admissions

The Governing Body has sole responsibility for admissions to St. Helen's. The Governing Body will admit pupils up to the School's Admissions Number which is 30.

For further information contact the school directly on 029 20 852532.

Disability Discrimination

The Council has in place an Accessibility Strategy, which details how the Council will meet its duties under the Equality Act 2010 and preceding Disability Discrimination legislation.

The Strategy covers access to premises for staff, visitors and pupils. The strategy contains the Council's plans to improve physical access to school premises across the borough to minimise the barriers to disabled pupils accessing education. In a number of cases, due to the topography of a school site, it may not be deemed accessible for a child with a physical disability. In such cases parents/guardians will be provided with the details of the nearest accessible school which is able to meet the child's needs.

Admissions forms are screened by Education in order to highlight any children with medical condition/physical disability. Parents will be contacted at the earliest opportunity to discuss the child's needs and a suitable school placement will be considered. The School and Officers of the Council work closely with parents to ensure that detailed assessments are in place to support the inclusion of pupils, where possible within their chosen school.

Usage of Accommodation

The LA continually reviews the usage of accommodation at all Infant, Junior and Primary schools and subsequently updates the Capacity and Admission Number to reflect this review. Allocation of placement will be carried out using the Authority's published admission arrangements.

Admission Forum

In line with The Education (Admission Forums) (Wales) Regulations 2003 the Authority has established an Admission Forum which will enable us to bring together admission authorities and others with an involvement in school admissions within the area.

Welsh Language Policy

In accordance with the Welsh Government's Welsh-medium Education Strategy (April 2010), the LA's policy is that every child should have the opportunity to learn and use the Welsh language effectively. Currently provision is made for this in the following ways, in line with the LA Welsh in Education Strategic Plan.

Education is available at Welsh Medium Primary Schools to all pupils whose parents select that medium of education. Although the main medium of instruction is Welsh, pupils in Key Stage 2 also study the National Curriculum programmes of study for English to the appropriate level.

Pupils will be able to continue their education at a Welsh Medium Comprehensive School.

There are many ways to learn Welsh in Caerphilly borough. Research suggests that immersing children, young people or adults in the language is the fastest way to learn a new language. Welsh language provision allows children and young people to experience the Welsh language and become immersed in it day on day enabling quicker language acquisition.

Our Caerphilly latecomer's immersion model is being developed and aims to support children and young people new to the language to become immersed in Welsh taught by specialist staff to quickly support the foundation development of their Welsh language skills and continue development further in their own school.

The Teaching of Welsh as a Second Language in English Medium Schools

In the foundation Phase Welsh is taught to all pupils. The emphasis is on using the language with purpose and in meaningful situations. In addition, the incidental use of the language during the school day is encouraged.

At Key Stage 2, the language is further developed orally and more attention is given to teaching, reading and writing skills.

At Key Stages 3 and 4 Welsh is taught to all pupils. Opportunities are provided in all schools for pupils to continue their studies for both the 16+ and "A" level examinations.

Section 3 – List of Schools

All schools are day or co-educational unless otherwise stated.

The Local Authority is constantly reviewing the Planning of School Places resulting in changes to the Published Admission Number of a school. Subsequently the Admission Number recorded against the relevant school may be amended following the publication of this booklet.

English Medium Nursery and Primary Schools

1. Aberbargoed Primary School

Address: Heol Ysgol Newydd, Aberbargoed, Bargoed, CF81 9DD

Tel No: 01443 875512

Headteacher: Ms. S. Everson

E Mail: aberbargoedprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 30

2. Abercarn Primary School

Address: Chapel of Ease, Abercarn, NP11 5LH

Tel No: 01495244566

Headteacher: Mr. G. Roden

E Mail: abercarnprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 33

3. Bedwas Infant School

Address: St. Mary's Street, Bedwas, Caerphilly, CF83 8EE

Tel No: 029 20 852512

Headteacher: Mrs V. Jenkins-Delf

E Mail: bedwasinfants@sch.caerphilly.gov.uk

Age Range: 3 to 7

Admission Number: 40

4. Bedwas Junior School

Address: Church Street, Bedwas, Caerphilly, CF83 8EB

Tel No: 029 20 852511

Headteacher: Mr. R. Cook

E Mail: bedwasjunior@sch.caerphilly.gov.uk

Age Range: 7 to 11

Admission Number: 43

5. Blackwood Primary School

Address: Apollo Way, Blackwood, NP12 1WA

Tel No: 01495 224111

Headteacher: Mrs. K. Davies

E Mail: blackwoodprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 60

6. Bryn Awel Primary School

Address: Eglwys Fan, Rhymney, NP22 5QA

Tel No: 01685 840230

Headteacher: Ms. C. Davies

E Mail: brynawelprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 24

7. Bryn Primary School

Address: Forest Hill, The Bryn, Pontllanfraith, Blackwood, NP12 2PL

Tel No: 01495 225690

Headteacher: Mrs. J. Khan

E Mail: brynprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 29

8. Cefn Fforest Primary School

Address: (Infants) Tyncoed Crescent, Cefn Fforest, Blackwood, NP12 3LL
Address: (Juniors) Cefn Fforest Avenue, Cefn Fforest, Blackwood, NP12 3JX
Tel No: 01443 830449
Headteacher: Mrs. J. Farmer
E Mail: cefnfforestprimary@sch.caerphilly.gov.uk
Age Range: 3 to 11
Admission Number: 36

9. Coed Y Brain Primary School

Address: School Street, Llanbradach, Caerphilly, CF83 3LD
Tel No: 029 20 852513
Headteacher: Ms. C. Wilson
E Mail: coedybrainprimary@sch.caerphilly.gov.uk
Age Range: 3 to 11
Admission Number: 24 (Infants) 33 (Juniors)

10. Crumlin High Level Primary School

Address: Commercial Road, Crumlin, NP11 4PX
Tel No: 01495 244606
Headteacher: Mr. C. George
E Mail: crumlinhighlevelprimary@sch.caerphilly.gov.uk
Age Range: 3 to 11
Admission Number: 18

11. Cwmaber Infant School

Address: Bryngelli Terrace, Abertridwr, Caerphilly, CF83 4FF
Tel No: 029 20 832231
Headteacher: Mrs. B. Davies
E Mail: cwmaberinfant@sch.caerphilly.gov.uk
Age Range: 3 to 7
Admission Number: 30

12. Cwmaber Junior School

Address: Brynhafod Road, Abertridwr, Caerphilly, CF83 4BH
Tel No: 029 20 832231
Headteacher: Mrs. B. Davies
E Mail: cwmaberjunior@sch.caerphilly.gov.uk
Age Range: 7 to 11
Admission Number: 30

13. Cwmcarn Primary School

Address: Newport Road, Cwmcarn, Crosskeys, Np11 7LZ

Tel No: 01495 270494

Headteacher: Mrs H. Robbins

E Mail: cwmcarnprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 33

14. Cwmfelinfach Primary School

Address: King Street, Cwmfelinfach, Ynysddu, NP11 7HL

Tel No: 01495 200225

Headteacher: Mr. D. Witchell

E Mail: cwmfelinfachprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 29

15. Cwm Glas Infant School

Address: Glas, Llanbradach, Caerphilly, CF83 3PD

Tel No: 029 20 852515

Headteacher: Mrs. H. Owen

E Mail: cwmglasinfants@sch.caerphilly.gov.uk

Age Range: 3 to 7

Admission Number: 18

16. Cwm Ifor Primary School

Address: Heol Aneurin, Penyrheol, Caerphilly CF83 2PG

Tel No: 029 20852509

Headteacher: Mr. G. Rees

E Mail: cwmiforprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 30

17. Cwrt Rawlin Primary School

Address: Cae Meillion, Caerphilly CF83 1SN

Tel No: 029 20807007

Headteacher: Mrs. T. Lloyd

E Mail: cwrtrawlinprimary@sch.caerphilly.gov.uk

Age Range: 3 to 11

Admission Number: 46

18. Deri Primary School

Address: Glynmarch Street, Deri, Bargoed CF81 9HZ

Secondary School Transfers

Catchment Schools September 2024

Note - Attendance of pupils at the feeder Junior/ Primary School does not provide automatic entry to the chosen Secondary School.

All Parents are required to complete an application form at the appropriate time.

Places will be allocated in accordance with the Authority's Admission Criteria. The school your child currently attends may not be their catchment school. Your home address determines which is your catchment school.

Section 4 – Early Years

Early Years Introduction

The Caerphilly Early Years and Childcare team provide information, advice and support for expectant parents and families with young children aged 0-7years living in the Caerphilly borough.

Our service consists of three main areas, Early Years Hub, Early Intervention team, and Childcare team. There is more information and support at [About us - Caerphilly Early Years Caerphilly Early Years](#).

Early Years Education - Introduction Guidelines for Parents

A free, part time Early Years Education place in an approved Early Years setting from the term following a child's third birthday is operational across the county borough, for those parents who choose to access it.

The Early Years Education place for those children whose birthday's fall between September 1st and March 31st can be in:

A nursery class in a school setting.

An approved pre-school or playgroup, or

An approved day nursery.

During the academic year of your child's 4th birthday, Early Years Education is only available in a school setting.

Your child is entitled to a minimum of 10 hours per week of funded, part-time, Early Years Education in a nursery setting. This could be in a childcare setting (which can be a nursery, funded playgroup or childminder) approved by your local authority or a school-based nursery.

Your child will start Early Years Education the term after their third birthday:

Child's Birthday	When can my child access their Early Years Education place?
1 st September to 31 st December	The beginning of term on or after 1 st January
1 st January to 31 st March	The beginning of term on or after 1 st April
1 st April to 31 st August	The beginning of term on or after 1 st September

Are the Part Time Places Free?

Yes. Each child is entitled to a free part time Early Years Education place in one approved setting from the term after they turn three.

How do I know the setting is a quality provider?

Early years settings providing these places have to be inspected by an ESTYN registered education inspector. 'Approved' childcare settings offering these places (Non-maintained settings), also undergo the usual inspection by the Care Inspectorate Wales.

In Caerphilly County Borough, in order to be given 'approved' status, non-maintained settings must first complete the Caerphilly Quality Standard. To offer a free part time Early Years Education place all settings must be included in the Early Years Plan and be properly procured through CCBC.

You can check with our Early Years Hub which settings are registered to provide education or you can ask your provider. There are a variety of providers in the area registered to provide Early Years Education. The Hub Team can be contacted on 01443 863232 or at www.caerphilly.gov.uk/FIS

How will I know that my child is receiving appropriate Early Years Education?

Part time Early Years Education providers must have a qualified teacher involved. The teacher will advise the early years staff working with the children, offer support and guidance to the setting and work with the group to achieve the standards expected by ESTYN.

The providers must be inspected by ESTYN. The inspector will ensure that a high quality of education is being delivered and that the new Curriculum for Wales (published 2022) is being implemented. The Curriculum for Funded non-Maintained Nursery Settings contains guidance for best practice throughout Wales.

This curriculum aspires to create in children positive dispositions towards learning which, if nurtured, will last a lifetime and provide the firm foundation which all our children need to support them in realising the four purposes of Curriculum for Wales.

The Curriculum for Wales supports children to develop as:

Ambitious, capable learners who are ready to learn throughout their lives

Enterprising, creative contributors who are ready to play a full part in life and work

Ethical, informed citizens who are ready to be citizens of Wales and the world

Healthy, confident individuals who are ready to lead fulfilling lives as valued members of society.

A link to the Curriculum can be found here [A curriculum for funded non-maintained nursery settings \(gov.wales\)](#)

How Do I Access the Scheme within a Non-Maintained Setting?

If the setting is registered to provide education, then the playgroup leader or nursery manager ('person in charge') should be able to provide you with more information.

If the setting is not registered then you will need to find a group in your area that is - you can contact either the schools admissions team on 01443 864869 or the Early Years Hub on 01443 863232 for a list of all providers in the Early Years Plan or go to www.caerphilly.gov.uk/FIS

You can apply online at www.caerphilly.gov.uk and select the appropriate Early Years setting. This must be completed and returned by the stated date.

The person in charge will then liaise with the LA to provide your child with a free part time place.

If you have completed an admission form for more than one setting it is your responsibility to inform the setting you are not sending your child to, that the form

must be withdrawn. This must be done by the fourth week of term. For more information see the website www.caerphilly.gov.uk/earlyyears or www.caerphilly.gov.uk/FIS

Childcare Offer for Wales

Eligible children aged 3 / 4 could be entitled to government funded childcare from the term following their 3rd birthday until they are offered a full-time education place - usually the September after their fourth birthday.

During term time in addition to the 10 hours already provided by the part-time Early Years Education place children could be entitled to 20 hrs of childcare and during school holidays, parents will be able to access up to 30 hrs of childcare.

Eligible parents living in Caerphilly County Borough will be working or earning the equivalent of working 16 hours a week or more at national living wage / national minimum wage or are in receipt of specific benefits. The upper limit for earnings is currently £100,000 for each parent. From September 2022, parents who are engaged in education and training may also be eligible to apply for the Childcare Offer.

To check if you are eligible go to www.caerphilly.gov.uk/childcareoffer or call the Early Years Hub on 01443 863232.

Section 5 – School Curriculum

Children’s education in Wales is currently divided into four stages:

- The Foundation Phase caters for children aged between 3 and 7;
- Key Stage 2 is from 7 to 11 years old;
- Key Stage 3 is from 11 to 14 years old;
- Key Stage 4 takes learners to the age of 16.

Learning in Foundation Phase

The Foundation Phase is for 3 to 7 year olds.

The Curriculum is developed under seven areas of learning.

- Personal and Social Development Well-Being and Cultural Diversity.
- Language, Literacy and Communication Skills.
- Mathematical Development.
- Welsh Language Development.
- Knowledge and Understanding of the World.
- Physical Development.
- Creative Development.

The Foundation Phase develops learning by gaining first-hand experience through play and active involvement. This approach develops positive attitudes to learning, improves self-esteem, and develops a range of skills through exploration and investigation. There is also a greater emphasis on activities using the outdoor environment, where children have opportunity to learn about the natural world around them.

Key Stage 2

Children aged between 7 and 11 currently follow programmes of study set out in the national curriculum for Key Stage 2. Their education will build on the experiences and learning gained in the Foundation Phase.

The curriculum in Key Stage 2 is designed around subjects and skills. It is designed to provide a firm foundation in language, mathematics and science, giving children the opportunity to achieve their best within a broad and balanced curriculum. Supporting children to develop good literacy and numeracy skills is at the core of learning for children in primary schools.

Pupils follow a rich and varied curriculum designed to give them opportunities to learn about:

- English;
- Welsh or Welsh second language;
- Mathematics;
- Science;
- Design and technology;
- Information and communication technology (ICT);
- History;
- Geography;
- Music;
- Art and design;
- Physical education (PE).

Alongside the national curriculum, schools must also provide religious education (RE) and personal and social education (PSE). Primary schools do not have to provide sex education, but they can provide a broader sex and relationships programme if the school governing body feel this is appropriate.

A New Curriculum for Wales – Foundation Phase to Key Stage 4

A new curriculum is currently being implemented for pupils aged 3 – 16 that will have more emphasis on equipping young people for life. It will build their ability to learn new skills and apply their subject knowledge more positively and creatively. A new digital competence framework is now introducing digital skills across the curriculum, preparing them for the opportunities and risks that an online world presents.

The central focus of assessment arrangements will be to ensure learners understand how they are performing and what they need to do next. Reference points will help learners, teachers, parents and carers to understand if appropriate progress is being made. They will set out expectations for pupils in each area of their learning relating broadly to ages 5, 8, 11, 14 and 16.

The purpose of the new curriculum is to support learners to be:

- Ambitious, capable learners, ready to learn throughout their lives;
- Enterprising, creative contributors, ready to play a full part in life and work;
- Ethical, informed citizens of Wales and the world;
- Healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

It will have six 'Areas of Learning and Experience.

1. Expressive arts;
2. Health and well-being;
3. Humanities (including RE which should remain compulsory to age 16);
4. Languages, literacy and communication (including Welsh, which should remain compulsory to age 16, and modern foreign languages);
5. Mathematics and numeracy;
6. Science and technology.

It will also include three cross-curricular responsibilities: literacy, numeracy and digital competence.

Transition to Secondary School

Children generally move into secondary school in the September before they become twelve. When your child is in the final year of primary school, the local authority will send you information setting out how to apply for a secondary school place. This usually happens during the first term of children's last year in primary school.

Arrangements between your child's school and the local secondary schools might include visits to the secondary school for children to have a look around and meet the main members of staff, information sessions, and visits from secondary school teachers to the primary school.

The National Literacy and Numeracy framework (LNF)

The National Literacy and Numeracy Framework (LNF) helps all learners develop excellent literacy and numeracy skills during their time at school. It provides continued development for 16-year-olds, clearly setting out expected yearly outcomes for literacy and numeracy. All children are supported to develop sound literacy and numeracy skills which can be applied in different situations and across a wide range of activities. Literacy describes a set of skills, including speaking, listening, reading and writing. Numeracy describes the use of number, measuring and data skills, and the ability to identify and use these skills to solve problems.

The LNF identifies literacy and numeracy expectations for each year group and will help children develop literacy and numeracy skills through all subjects in the national curriculum and by using a wide range of activities.

National Reading and Numeracy Tests

The National Reading and Numeracy Tests, for all children in Years 2 to 9, help schools assess pupils' reading and numeracy skills and gain a clearer understanding of learners' progress.

The Welsh Baccalaureate

The new Welsh Baccalaureate, introduced from September 2015 for Key Stage 4 pupils, was developed to enable learners to acquire and refine a range of skills designed for the workplace.

Skills include:

- Communication;
- Numeracy;
- Digital literacy;
- Planning and organisation;
- Creativity and innovation;
- Critical thinking and problem solving;
- Personal effectiveness.

How Are Children Assessed?

Your child's teacher will assess all aspects of school work and will use a variety of assessment techniques as part of a combined approach to learning, teaching, planning and assessment. The teacher will assess what your child knows and can do,

and they will interpret the results of these assessments to improve your child's learning.

At the end of Key Stage 2 and Key Stage 3, the teacher will decide which level on the national curriculum scale best reflects your child's progress in each of the core subjects. In English, Welsh (either as a first or second language), mathematics and science, your child will be assessed on standards set out in the national curriculum programmes of study.

At the end of Key Stage 4, pupils are assessed principally through the accredited qualifications of the General Certificate of Secondary Education (GCSE).

Currently, pupils at the end of Key Stage 4 are assessed using a range of measures including:

- Capped 9 measure;
- Literacy measure;
- Numeracy measure;
- Science measure;
- Design and technology;
- Welsh baccalaureate
- skills challenge certificate.

Pupils are also able to undertake a range of other vocational and work-related courses which may be offered by the school.

Access to Documents

Every school shall allow parents access at all reasonable times to the following documents: -

- The Education Department's Curriculum Statement of Policy, the school's Statement of Curriculum Aims and the school's Curriculum Policy;
- All Welsh Government circulars and statutory instruments;
- All published HMI reports regarding the school;
- All schemes of work and syllabuses;
- Arrangements for consideration of complaints about the curriculum;
- The agreed syllabus for Religious Education;
- The Charging and Remissions policy of the Authority and Governing Body.

Section 6 – Welsh Language

The Welsh language belongs to everybody, and every child should have the opportunity to learn and use the Welsh language effectively.

Caerphilly Council makes education available at Welsh-medium primary schools to all pupils whose parents select it.

The majority of children in Welsh-medium education do not speak Welsh at home. Before the end of their first year, they will be talking with their new friends in Welsh!

When a child goes to Welsh medium school, they will leave able to speak English to the same standard as children in English-medium schools. On top of that they will be able to speak Welsh to the same standard.

Pupils can continue their education at one of two Welsh medium Secondary school campus, and afterwards use their Welsh language when training, studying and working.

Choosing Welsh Medium Education

In Caerphilly, around 20% of children go to Welsh medium school, and love playing and learning in two languages, or more.

When a child goes to Welsh medium school, they will leave able to speak English to the same standard as children in English medium schools. On top of that they will be able to speak Welsh to the same standard.

Welsh medium Schools use Welsh in the early years and then bring in English as they progress through school. Children are happy talking in both languages.

Some children start in Ti a Fi (Welsh medium toddler group) and Welsh medium childcare. Whatever you speak at home, everyone can join a Welsh medium Primary School and then go on to one of two Welsh medium Secondary campus. It's never too late; with support from our Latecomer Immersion Unit children already in English medium Primary can transfer to Welsh medium Primary.

Quote

I have decided on Welsh Education for my daughter because I feel it will give her the best start in life. I feel it will open many doors and provide more opportunities for her

in her adult life, particularly if she chooses to work in Wales. The many benefits of bilingualism have informed my decision even more! Vicky Hughes, Sophia's mum.

Whatever you speak at home, children thrive in Welsh medium schools

In Caerphilly, approximately 88% of our learners in Welsh medium Education come from non-Welsh speaking homes.

Our schools speak both Welsh and English with parents, wanting parents to feel part of the school community.

You may find yourself picking up a bit of the language from the children. You'll hear words that you may already know, have a guess:

amser chwarae / brechdan caws / peldroed / cwtsh / ci bach / ble mae'r esgidiau?

(play time / cheese sandwich / football / cwtsh / puppy / where are the shoes?)

Schools create a learning environment suitable for each individual child. In Welsh-medium schools children are immersed in a Welsh language environment where they absorb the language whilst making progress in their physical development, well-being, communication, exploration and belonging pathways, at their own pace.

My child has additional needs and is doing really well in YGG Caerffili

Children with additional needs make friends in their local school and community. All of our school staff teams have training on providing what's important for your child in both Welsh and English schools. In the local authority we also have specialist Welsh speaking staff who can support staff in schools.

Some children may need more specific support and may need to access a Specialist Resource Base (SRB) placement. Ysgol Cwm Derwen has our Welsh SRB for Primary age children. Ysgol Gyfun Cwm Rhymni has a specialist provision called Hafan at the Gwyndy and Y Ganolfan at the Gellihaf site where our Secondary age young people who need more specific support can feel included.

Why is speaking Welsh so popular in Caerphilly?

Lots of people speak Welsh locally, it gives people a feeling of belonging and want their children to speak it too. Parents and carers are looking to send their children to Welsh-medium schools, so they get the rounded Welsh speaking experience that they didn't get as children.

There's a Welsh-medium school near you and if you live more than 2 miles away from your nearest Welsh-medium school we'll provide transport for free.

What about before children start school and outside of school?

There are opportunities for children and families to access Welsh medium provision before they start school in Ti a Fi (parent and toddler groups) and Dechrau'n Deg (Flying Start for 2year olds) and Cylch Meithrin (preschool childcare for 2-3year olds).

Once they start school there are opportunities in every Primary school for Welsh medium childcare. Clwb Meithrin (wraparound for 3-4year olds) and Clwb Carco (after school for 4-11year olds), as well as Menter Iaith and Urdd youth clubs and events for young people.

You can learn Welsh with your child through Cymraeg i Blant, Cymraeg i'r Teulu and Dysgu Cymraeg Morgannwg / Gwent as well as through free apps such as Duo Lingo and Say Something in Welsh.

What if my child is currently in English medium Primary, and I want to move them to Welsh medium Primary?

We have an experienced team in Canolfan Gwenllian, our latecomer immersion unit at Ysgol Gilfach Fargoed, who can help children to learn Welsh quickly to support their transition to Welsh medium Education.

Generally, this takes one to two terms depending on the needs of the child. During transition their time will be shared between their home school (the one you apply to for your Welsh medium Education moving forward) and the immersion unit (to support intensive Welsh language acquisition).

For more information speak to the head teacher at the Welsh medium school you are applying to attend.

The Teaching of Welsh as a Second Language in English Medium Schools

In the foundation Phase Welsh is taught to all pupils. The emphasis is on using the language with purpose and in meaningful situations. In addition, the incidental use of the language during the school day is encouraged.

At Key Stage 2, the language is further developed orally, and more attention is given to teaching, reading and writing skills.

At Key Stages 3 and 4 Welsh is taught to all pupils. Opportunities are provided in all schools for pupils to continue their studies for both the 16+ and "A" level examinations.

Welsh is a mandatory requirement of the Curriculum for Wales, and all children learn Welsh in an English-medium school.

The ambition is that everyone learning in a school or setting in Wales is supported to enjoy using Welsh, to make continuous progress in learning Welsh and to have the confidence and language skills so they can choose to use Welsh beyond the classroom.

Section 7 – Complaints

School Complaints

We take any complaint very seriously and schools are required to have procedures in place for dealing with them. Any concerns you have about your child's education can normally be settled by speaking to the headteacher, class teacher or other member of staff.

Making a formal complaint

If you have a complaint about a school, you must make your complaint directly to the school. Contact details for all our schools is available using our Find a School facility. We recommend that you ask the school for a copy of their Complaints Policy so that you can understand exactly how they will handle your complaint.

The governing bodies of all maintained schools in Wales, including nursery schools, must establish procedures for dealing with complaints from parents, pupils, members of staff, governors, members of the community and others.

The Welsh Government recommends that school governing bodies establish a three-stage approach to resolving complaints as follows: -

Stage 1: Informal stage where the complaint can be raised and resolved. A complaint will not usually move to stage 2 until it has first been considered under stage 1.

Stage 2: Formal stage.

Stage 3: The matter is referred to the Complaints Committee of the Governing Body. The schools' complaints procedure should include more specific details about each of these stages.

Further Information

For further information about school complaints process please contact the school. Alternatively contact the complaints officer at edcustomerservicecomplaints@caerphilly.gov.uk or 07511 414625 who will be happy to advise you.

Other Learning complaints

There are other statutory processes for complaints and appeals relating to the curriculum, religious worship, admissions, Special Educational Needs (SEN), exclusions, staff grievance, staff disciplinary and teacher capability.

Section 8 – Inclusion

Promoting inclusion, wellbeing and supporting children to learn

The Welsh Government (WG) issues a range of guidance relating to inclusion and additional learning needs some of which has statutory status, which Local Authorities, schools, early years and other educational settings have regard to.

In January 2018 the Additional Learning Needs and Tribunal Act was given Royal Assent. This outlines a new statutory framework for supporting children and young people with additional learning needs (ALN).

The local authority is committed to promoting inclusion and wellbeing and supporting all children to be ready to learn. The LA is reviewing and developing a range of strategies, policies and guidance to support its vision and to ensure compliance with statutory responsibilities. The LA takes a holistic view focusing on understand how key issues in children's early years, such as poverty and exposure to ACES, can affect attainment. Within this context, the LA focus is on improving the provision and outcomes for vulnerable groups of learners, early intervention, working in partnership, reducing rates of exclusions (as these impact upon pupil attainment and outcomes), securing excellence in learner well-being, and ensuring that the LA is fully compliant with the Additional Learning Needs and Tribunal Act 2018 (implementation date September 2021).

The Local Authority (LA) considers that inclusion is a fundamental principle that underpins all practice and procedures, and the LA is committed to an effective and inclusive education system in which all children and young people are:

- valued equally
- treated with respect
- are central to and are able to participate in processes which affect them and have their voices heard
- given equality of opportunity
- have opportunities to achieve and are supported to progress holistically in accordance with their individual learning needs

The key partnerships with the Education Achievement Service (EAS), local and regional services, schools and other educational settings are critical in facilitating high quality support and provision and developing the knowledge and skills of

school staff to effectively support children and provide access to a curriculum which promotes equality and diversity, and which develops the four purposes of the Curriculum for Wales.

Exceptionally it is recognised that for very few children and young people with severe and complex needs, alternative provision arrangements will need to be identified. Within CCBC there is a continuum of specialist provision that includes Trinity Fields School and Resource Centre, satellite provision, specialist resource bases attached to mainstream schools and Education other than at school provision. These facilities are appropriately resourced to meet the needs of children and young people with more significant special educational needs.

Central Support Services provide a wide range of peripatetic specialist services to support schools to meet particular needs such as counselling and CBT, systemic work and psychological formulation, training and workshops, wellbeing support for staff, support for schools following critical incidents, support for learning, guidance regarding behaviour managements, support for children looked after and guidance regarding statutory process and the ALN reform.

More information regarding LA services can be provided by contacting the ALN Team on 01443 866610/ 01443 866683/ 01443 866639.

Safeguarding in Education

Safeguarding is everyone's business. The Education and Social Services Directorates work together to safeguard children and to provide support and advice to schools and providers, ensuring that holistic services are provided to vulnerable children. Child Protection is part of the wider remit of Safeguarding.

The Education Directorate has a safeguarding coordinator who works with schools and providers and social services colleagues and attends regional and national groups to ensure that the most up to date information, guidance and support is available to schools and providers.

The education safeguarding coordinator is responsible for overseeing school audits, training, support to schools regarding professional concerns (with colleagues from human resources) and ensure compliance with the new safeguarding procedures.

Section 9 – Health

Immunisations

Before your child starts school, it is important that they are up to date with their vaccinations so that they are protected against a number of vaccine preventable diseases. Every year vaccination saves more lives worldwide than any other medical intervention. In Wales, vaccination is a key measure in keeping children healthy and giving them the best start in life.

Routine childhood vaccinations are highly effective, safe and free. There will be other vaccinations scheduled throughout your child's school life. When your child is due to receive a vaccination in school you will receive information and a consent form electronically via the school. It is important that you complete the online consent form promptly. For more information, please visit: www.nhsdirect.wales.nhs.uk/LiveWell/vaccinations/

School Nursing

Advice and Support

School Nurses are qualified professionals with specialist training and experience in child health and health promotion. We can work with individual school age children and their families to improve health.

We work in teams across Caerphilly and the other boroughs of Aneurin Bevan University Health Board. Our aim is to support children, young people and their families to lead healthy lifestyles. We deliver the Healthy Child Wales programme, and all reception age children will be offered a School Nurse contact that will include, height, weight, vision screen by the School Nurse service and a hearing screen from the Audiology service.

All families and children have access to a School Nurse who can advise on a variety of health issues.

These may include:

- Child development
- Growth and nutrition

- Healthy Eating
- Immunisations
- Safety and accident prevention
- Health promotion
- Relationships
- Enuresis (bedwetting)
- Constipation and soiling
- Emotional Wellbeing
- Behaviour

This is not an exhaustive list and should you require further advice please contact the School Nurse Single Point of Access (SPOA) line on 01633 431685

Section 10 – School Transport

Learner Travel Policy, Information and Arrangements

The Learner Travel (Wales) Measure 2008 requires Caerphilly County Borough Council (the Council) to make available information about their policies and the arrangements that are put in place for transporting learners.

In doing so, the Council's Learner Travel Policy, Information and Arrangements contain guidance designed to inform parents, carers and learners on how the policy is practically implemented and ensure that it is applied consistently and equitably across the County Borough.

Any decisions made by Council Officers regarding entitlement will be based on this document and, subject to compliance with the information contained within, will be considered to be final.

Statutory Provision of Free Transport

There is a statutory duty placed upon the Council to:

- Assess the travel needs of learners in its area.
- Provide free home to school transport for learners of compulsory school age attending primary school who live 2 miles or further from their "relevant" school.
- Provide free home to school transport for learners of compulsory school age attending secondary school who live 3 miles or further from their "relevant" school.
- Assess and meet the needs of children "looked after" in its area.
- Promote access to Welsh medium education.
- Promote sustainable modes of travel.

To meet this duty, the Council provides learners with free transport to their "relevant" school if they reside beyond "walking distance" to that school. The term "relevant" school applies to the catchment area or nearest Welsh, English, dual language or voluntary aided (faith) mainstream school or special school/class as appropriate.

The law relating to "walking distance" is defined as two miles for learners of compulsory school age receiving primary education and three miles for learners of compulsory school age receiving secondary education.

Discretionary Provision of Free Transport

Beyond the statutory minimum, the Council has determined that when assessing entitlement on the basis of “walking distance”, to use the discretionary powers afforded to it under the provisions of the Measure to make a more generous provision to learners.

- The eligibility criterion for walking distance for learners receiving compulsory primary education at their “relevant” school has been set at 1.5 miles, instead of 2 miles as required by the Measure.
- The eligibility criterion for walking distance for learners receiving compulsory secondary education at their “relevant” school has been set at 2 miles, instead of 3 miles as required by the Measure.
- Free transport is provided to post 16 learners who meet the 2 mile eligibility criterion for two years after the end of compulsory education, rather than until the end of compulsory education (the last Friday in June of the school year in which a learner reaches the age of 16) as required by the Measure. This provision applies to full time attendance at the relevant school or college at which the approved course of study that they wish to pursue is offered.
- Free transport to their “relevant” school is provided to learners (as set out above) in accordance with their preferred religious denomination.

The term “relevant” school applies to the catchment area or nearest Welsh, English, dual language or voluntary aided (faith) mainstream school or special school/class as appropriate.

The discretionary elements of the Council’s policy are subject to review and may be discontinued. Any proposed changes will be subject to consultation with learners and parents/carers and, if taken forward by the Council, will usually apply from the start of a school year and will have regard to the Learner Travel Statutory Provision and Operational Guidance - June 2014 or its replacement.

Transport Provision

The provision of free school transport (as set out above) will be arranged to coincide with the start and end of the normal school day only, not at lunchtimes, and shall be provided during the school term time.

It is not provided for medical appointments, collection from school or college due to illness, detention requirements, and part time or examination timetables.

Where the Council has arranged for a learner to attend an out of county residential school, transport will normally only be provided at the start and end of each half term.

Transport will normally be provided from pick up points at approved bus stops on the nearest public transport route to the learner’s home.

Transport will not be provided to alternative addresses to suit parent's work or other commitments.

It will not always be possible to arrange the routes for our contracted vehicles to pass close to the home of a learner. In such circumstances, it may be necessary for parents or carers to make arrangements for the learner to reach the nearest available pick-up point on the contracted route allocated to them. Every effort will be made to keep as short as possible the distance from a learner's house to the pick-up point and will normally not exceed one mile.

For learners with Additional Learning Needs (ALN) transport is usually provided to and from the home address, with every effort being made to collect / drop off at the kerbside. It is for parents/carers to take / meet their child(ren) to / from the vehicle.

No arrangements will involve the transport provided operating onto un-adopted roads, private land or farm access tracks.

It is the intention of the Council to provide a system of transportation that will seek to carry learners safely, comfortably and without unreasonable levels of stress.

Parental Preference

Should parents/carers choose to place their child(ren) in a school other than the "relevant" school (Welsh, English, dual language or voluntary aided (faith) mainstream school, or special school/class as appropriate) then those parents/carers are totally liable to organise and pay for the cost of transport to the chosen school.

Transport for Children with Additional Needs

Free transport is provided for all pupils who attend Special Resource Bases and our Special School - Trinity Fields School and Resource Centre, which are not held within their own schools irrespective of distance and family circumstances. Special provision includes classes for children with profound and multiple learning difficulties, physical disabilities and additional learning difficulties, complex learning needs, hearing impairment, speech and language difficulties, social communication and autism, behavioural difficulties and pupil referral units.

Transport to Welsh Medium and Dual Language Schools

There is no statutory requirement to provide transport to Welsh medium and dual language schools. The Council's current policy is that learners attending the nearest Welsh medium or dual language school receive free transport in accordance with the Council's agreed policy on walking distance (as set out above).

Transport to Voluntary Aided and Special Agreement Schools

There is no statutory requirement to provide transport to voluntary aided (faith) schools. The Council 's current policy is that learners attending the nearest voluntary aided school of the parent/carers denomination receive free transport in accordance with the Council's agreed discretionary policy on walking distance (as set out above).

Transport to schools in neighbouring Authorities

Pupils residing within Caerphilly County Borough area who attend schools located in neighbouring authorities receive free transport provided that the school attended is the relevant or nearest school, and that they reside beyond walking distance (as set out above).

Transport on Medical Grounds

Free transport to and from school may be provided on medical grounds e.g. chronic illness or temporary incapacity for short but continuous periods, upon receipt of a written recommendation from an appropriate Health/Medical Officer. Each case will be considered on its own merits and where agreed, this provision will be subject to a regular review.

Each application must specify:

- The nature of the illness or incapacity.
- The reason that this impacts on travel to school.
- The extent of the impact e.g. expected duration.

Transport on medical grounds is only given consideration where a child is attending his or her 'relevant' school or where the child has been placed at a school because of his or her medical needs.

Transport may not be in the form of a dedicated vehicle from the house address where a reasonable adjustment to the Council's normal practices can be made in order to accommodate the learner's specific needs e.g. the allocation of a seat on a nearby contracted school bus.

Special Arrangements: Hazardous Routes

The criterion used to determine the eligibility to receive free school transport is based on walking distance, measured by the shortest, available walking route. A route is considered to be available if it is safe for a learner to walk alone or, if appropriate for the age of the learner, accompanied by an appropriate adult. It is recognised that occasions will arise when routes may become hazardous. In these circumstances, the Council reserves the right to provide free school transport over distances below the discretionary limits if this is recommended by appropriate officers in the interests of the safety of the relevant learners.

In determining the comparative safety of a walking route, the Council will conduct an assessment of the risks that escorting parents/carers and learners might encounter along the route between home and school. The assessment of a route will take place at the time of the day and on the days of the week that learners would be expected to use the route. It will take a road safety perspective and follow the Welsh Government Statutory Guidance on Risk Assessing Walked Routes to School.

As a matter of policy, routes that are considered hazardous will be reviewed biennially and discretionary provision may be withdrawn where the identified hazard has been mitigated and the route identified as available to walk in safety. Parents/carers will be given at least one term advance notice of the withdrawal of such discretionary transport.

Over-Subscribed Schools

If a learner cannot be admitted to their "relevant" school (the catchment or nearest Welsh, English, dual language or voluntary aided (faith) mainstream school or special school/class as appropriate) and, as a result, has to attend another school beyond the walking distance from their home then transport will be provided to the next nearest "relevant" school. In such circumstances, consideration will be given to transporting siblings to the same school.

Protected Provision – Catchment Area Variations

Where the Council decides to vary the catchment area for a school (Welsh, English, dual language or voluntary aided (faith) mainstream school or special school/class as appropriate), existing transport arrangements will be protected for the learners living in the areas affected for the duration of their attendance at the school or until they reach the end of that phase. In exceptional circumstances, consideration may be given to transporting siblings to the same school.

Concessionary Transport

From time to time it is possible that the numbers to be carried by the LA will be below the seating capacity of the vehicle being used. In such cases the LA will reserve the right, using the appropriate powers, to make spare seats available to children attending their relevant school who live below the discretionary, provided that there is no additional cost to the authority. It must be understood that the provision of this facility does not represent an obligation on behalf of the LA and, being entirely dependent on the capacity of the vehicle used, may result in withdrawal of the facility at short notice.

Concessionary transport cannot be considered until after the second week of September, when accurate numbers of pupil's travelling during the year are known. Requests must be made in writing to these offices giving details of the pupil and school attended by no later than the third Monday of September. All requests

received by that date will be considered and any available seats will be allocated on the basis of those that reside furthest from the school. Requests thereafter will be considered depending on availability.

Change of Family Home

Pupils in receipt of free transport whose families move to an address outside the traditional local area of the school to which transport has been provided will be assessed in accordance with the eligibility criteria (as specified above).

Families need to be mindful of this fact when they are considering moving home, especially if that move takes place during primary education, in years seven, eight or nine of secondary education, or in years twelve and thirteen of further education.

Pupils who move on a permanent basis after the October half term in year ten, and year eleven will be provided with a free bus or train pass to enable them to complete their current course at the same school, provided they were attending their "relevant" school and that they now reside beyond the walking distance (as specified above).

Dual Residency

Where a pupil has more than one home because the child's parents are not living together but the child lives partly with each parent, or with a parent and also at a children's home, then both places of residence should be regarded as their place of ordinary residence.

Only permanent established living arrangements will be considered e.g. a learner who stays two nights of every school week with one person with parental responsibility and three nights of every school week with the other, or alternate weeks with each parent. Such arrangements do not apply where a learner spends weekends with a different parent from where the learner lives during the school week. The nights of the school week are Sunday evening/Monday morning to Thursday evening/Friday morning inclusive.

If the second home address is:

- Above the discretionary distance - They will be entitled to free transport for the days they will be travelling on that route.
- Below the discretionary distance - No transport will be provided.

Where a child has two places of ordinary residence in two different local authorities, then each of those local authorities will be responsible for the child's travel arrangements when in its area. Where pupils attend, as a result of parental preference, a school, which is not their relevant school, it must be understood that parents accept full responsibility for transport arrangements. This will include making all the necessary arrangements as well as meeting the cost.

Monitoring

All vehicles will be available for random checks by the DVSA or other appropriate body, when required. Any complaints received by the LA from parents concerning services or vehicles will be immediately investigated. In the event of the complaint being upheld, action will be taken in accordance with the operator's terms of contract. The LA will undertake random checks on contracts, to ensure that the contracts are being complied with, in a manner acceptable to the LA.

Mode of Transport

In all cases, the efficient use of resources will dictate the mode of transport provided (subject to any additional needs requirements). Transport may be provided by means of contracted school transport services or existing public transport services which, together with the size and type of transport (bus, minibus, train, taxi, etc.) will be dictated by cost effectiveness. In exceptional cases, learner or parental reimbursement will be offered where this is the most cost-effective method of providing transport. The provisions of Section 88 of the Transport Act 1985 place a duty on the Council to secure, in the interests of its residents, the best value for money from expenditure on public passenger transport as a whole. The Council will therefore be mindful of its duty to provide socially necessary (public transport) bus or train services when arranging transport provision for learners.

Journey Times

The Council does not specify a time limit for journeys. However, journey times should be reasonable, taking into account the age and individual needs of the learners, and the nature, purpose and circumstances of each journey. Where parents/carers express preferences for their children to attend Welsh/dual language schools or voluntary aided (faith) schools that are some distance away from their homes, journeys may generally be longer. This will also apply to some ALN journeys.

Provision for Learners Aged 16-19

There is no statutory requirement to provide transport for post 16 learners. The Council's current policy is that post 16 learners, who are attending a course of full-time study at their nearest or catchment school or college at which the approved timetabled courses are studied, will be eligible for free transport, in accordance with the Council's agreed policy on walking distance (as set out above). A full-time course is determined as one which requires attendance of 16 or more hours per week.

If the same courses are available in a number of schools / campuses, free transport is only provided to the closest school / campus, unless the course(s) at the nearest school / campus are full. This will be determined by officers.

Learners within the 2 mile distance, who choose to enrol at a school / campus that is further away, and there are places available at the nearest school / campus, are expected to make their own travel arrangements.

No transport will be provided for learners beyond the second academic year after the end of compulsory education. In exceptional circumstances, transport may be provided until the end of the academic year in which a learner attains their 19th birthday. Travel arrangements in respect of any subsequent attendance are the responsibility of the learner.

This transport policy covers school 6th form and college full time further education courses only approved by Qualifications Wales and does not extend to higher education courses funded by the Higher Education Funding Council for Wales (HEFCW).

Coleg Gwent Catchment Area

All students who reside within the catchment area of the schools listed below are within the catchment area for Gwent Tertiary College for post 16 Education. Students are however only eligible for free transport if they are attending the nearest campus offering the course.

- Blackwood Comprehensive School
- Islwyn High School
- Newbridge School
- Risca Community Comprehensive School
- Ysgol Gyfun Cwm Rhymni - (Islwyn Area)

Should students who reside within these catchment areas choose to attend an alternative education establishment, assistance will only be provided if the student is attending the nearest education establishment to home offering the course. The mileage limits will be the same as those applying to school pupils. The arrangements as specified for schools above, apply equally to college students.

Ystrad Mynach College Catchment Area

All students who reside within the catchment area of the schools listed below are also within the catchment area for Ystrad Mynach College for post 16 Education.

- Idris Davies School 3-18
- Heolddu Comprehensive School n Lewis School Pengam
- Lewis Girls Comprehensive School
- Bedwas High School
- St Martins Comprehensive School
- St Cenydd Community School
- Ysgol Gyfun Cwm Rhymni (Rhymney Valley Area)

Should students who reside within these catchment areas choose to attend an alternative education establishment other than Ystrad Mynach College or their

catchment comprehensive school, assistance will only be provided if the student is attending the nearest education establishment to their residence offering the course.

The mileage limits will be the same as those applying to school pupils. The arrangements as specified for schools above, apply equally to college students.

Travel Grant

Where a course of study is not available locally (i.e. at the relevant 'school or college, as appropriate') a travel grant of £363 is available.

This travel grant is payable in six Instalments of £60.50. The travel grant is paid at the end of each half term/term after confirmation has been received of the continuing attendance.

Petrol Allowance

Students who meet the criteria for the provision of free transport to their chosen education establishment can apply for petrol allowance.

Petrol Allowance is paid at a rate of fifteen pence per mile. Should a student wish to apply for petrol allowance then they should put a supporting letter with their application detailing why they are unable to travel on the prescribed transport. Petrol allowance is only normally payable in circumstances where either the contracted vehicle or public transport is not suitable. Authorised petrol allowance claims are payable at the end of each half term/term.

Work based learning

The Authority does not provide assistance to those students on work-based learning courses. Students should contact the provider who may be able to offer assistance.

Post 16 learners may be eligible for the Education Maintenance Allowance (EMA), funded by Welsh Government and administered on their behalf by Student Finance Wales. The EMA is intended to support post 16 learners to access post 16 education. Details to determine eligibility for EMA are available from the Student Finance Wales website at www.studentfinancewales.co.uk/fe/ema

Travel Behaviour Code

The Welsh Government has introduced an initiative called “The Travel Behaviour Code” to promote safe travel for all children and young people, by setting out the standards of behaviour required when travelling between home and school. The code applies to all modes of travel to and from education institutions, and learners must comply with the code whilst travelling to and from their place of learning.

The code sets out standards of behaviour expected of a learner when travelling to and from their place of learning and encourages schools and Councils to work proactively with learners, their parents/carers and the community to promote positive behaviour.

Parents should ensure the learner has understood the code and must encourage good behaviour.

It is compulsory to wear a seat belt on dedicated mainstream school transport. Parents/carers are requested to emphasise the importance of wearing a seat belt to their child(ren).

In the event that a learner does not comply with the Travel Behaviour Code the Council can for a period of time withdraw an individual’s entitlement to free transport. In the event transport is withdrawn from a learner, it is the responsibility of the learner’s parents to arrange transport to and from their place of learning.

Appeals

Any appeals against a refusal to grant free transport should be made in writing to the Integrated Transport Unit, giving full details of the reasons for appeal for consideration. Consideration will also be given to individual written applications for discretionary transport outside the normal policy criteria. These will be considered on their respective merits and in exceptional circumstances, transport may be provided outside the normal policy criteria. If you have any concerns about school transport, you should contact the Integrated Transport Unit.

For further information about school transport policies and procedures please contact the Integrated Transport Unit at educationtransport@caerphilly.gov.uk or 01443 864810.

Section 11 – Education Welfare Service

The Education Welfare Service is a specialist support service and provides an extensive range of services for children, families and schools, in addition to carrying out a number of statutory functions of the Local Education Authority. The central role of the Education Welfare Service focuses on the social, emotional and educational problems, which can affect a child's ability to benefit from the educational opportunities offered by regular attendance at school. The Education Welfare Officer will liaise regularly between school and home to offer appropriate support and guidance.

The role and aims of the Education Welfare Service are;

- To support schools and parents in their efforts to maintain regular attendance of all pupils.
- To devise and implement strategies aimed at improving attendance.
- To ensure that the LA fulfils its statutory duties regarding school attendance, pupil exclusions, and the employment of pupils.
- To ensure that every child in the Borough is receiving a suitable and appropriate education and are not Children Missing Education.
- To offer help and advice to families on matters related to school transport, meals and clothing and their rights within the various Education Acts.
- To provide a key link between families, schools and the LA with other agencies such as the Social Services and Housing Department, the Police and the Area Health Authority.
- To prevent the exploitation of children in employment and entertainment.

Contact may be made through the following officers:

Louise Pine - Lead Education Welfare Officer Caerphilly South - 07955 433249

Claire Ingram - Lead Education Welfare Officer Caerphilly North - 07955 433247

Email: educationwelfare@caerphilly.gov.uk

Family holidays during term time

Parents are advised that they do not have an automatic right to withdraw pupils for holidays while schools are in session. Prior application should be made to the Headteacher who will take into account relevant factors such as:

- Age of the child.
- The time of year proposed for the trip.
- Its nature and parental wishes.
- The overall attendance pattern of the pupil.

Where a school does not grant leave of absence and the pupil still goes on holiday, such absence will be recorded as unauthorised. Where permission is granted, if parents fail to abide by the agreement reached with the school and keep a child away for a period in excess of that agreed, any extra time will also be recorded as unauthorised.

Section 12 - Education Services Across the Community

Libraries

There are 18 Libraries in the borough offering a wide range of facilities: free Wi-Fi access, public PCs and book stock.

Adult Community Learning

Caerphilly Adult Community Learning is based at Oxford House in Risca and delivers classes for adults throughout the Caerphilly borough. Our classes and clubs include Employability courses (First Aid, Food Hygiene, Manual Handling), Computers, General Education (basic Teaching qualification, Teaching Assistant), Art, Crafts, Pottery, Dressmaking, Languages and Essential Skills (Literacy, Numeracy, Digital Skills and ESOL).

Contact: 01633 612245

lcoxford@caerphilly.gov.uk

Employment Support

Employment support within the borough helps people to find work, upskill and change careers. If you are not currently working, you can get help with updating your CV, completing application forms, practising interview skills, and gaining work relevant qualifications. If you are working, we can support you to gain qualifications to secure more hours or a better paid job or retrain to change your career. Our Business Liaison Officers are here to help anyone receiving support from the Caerphilly Employment Support Team, to find suitable vacancies to match their career goals.

The Youth Service

Caerphilly Youth Service provides opportunities for young people aged 11-25 through a range of projects and 21 youth clubs based in communities throughout the borough. Youth Workers have a unique relationship with young people, supporting them to develop their personal & social skills, overcome barriers & realise their potential.

For further information on youth services please call 01443 863197.

Section 13 – School Meals Service

Free School Meals - Information for Parents and Guardians

All **primary** school children in Wales will get free school meals by 2024. This commitment is in response to the rising cost-of-living pressures on families and our shared ambitions of tackling child poverty and ensuring no child goes hungry in school. The Welsh Government is committed to implementing the scheme as quickly as possible.

There are also wider benefits of free school meals, including promoting healthy eating across the school, increasing the variety of food learners can eat, improving social skills at mealtimes, as well as improving behaviour and attainment.

If your child is attending a primary school, please see page 84 for the implementation and information on Universal Primary Free School Meals (UPFSM).

Please note that being in receipt of UPFSM does not make you eligible for a School Essential Grant. This grant is only eligible to children whose families are on lower incomes and qualify for certain benefits. Please read the section titled “Eligibility” for further information on Eligible Free School Meals (eFSM).

Eligibility

Your child may be able to get free school meals if you get any of the following:

- Income Support
- income-based Jobseeker’s Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (as long as you don't also get Working Tax Credit and your annual income is £16,190 or less before tax)
- the guaranteed element of Pension Credit
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit

- Universal Credit - your household earnings must be less than £7,400 a year after tax. This does not include any income from benefits.

The local authority where a learner goes to school (not where they live) is responsible for:

- providing the free school meal
- assessing the eligibility

Free school meal legislation allows foster parents to claim free school meals. As long as a parent is eligible to claim free school meals, the child can get them. A child could potentially have four parents; two foster parents and two natural parents.

Transitional protection

On 1 April 2019, the Welsh Government introduced new rules for claiming free school meals. As a result, a small number of children and young people could have lost their eligibility for free school meals. 'Transitional protection' was introduced to ensure that these children and young people continue to receive free school meals for a limited period of time.

Secondary School Meals

Secondary school pupils can choose from a daily selection of hot and cold meals.

Choices may include jacket potatoes, filled baguettes, sandwiches, wraps with fresh fruit and drinks, water is freely available.

St Martins, Lewis School Pengam, Newbridge School and Ysgol Gyfun Cwm Rhymni Gelli Haf Campus offer alternative meal arrangements. Please contact these schools directly for further information.

Parents who require their children to take a packed lunch from home are able to do so and suitable seating is provided at lunchtime. Fresh water is available for all pupils.

Primary School Meals

As part of the Co-operation Agreement, Welsh Government and Plaid Cymru have announced plans and funding to offer every primary school pupil in Wales a free, nutritious school meal by 2024.

Please see timetable below for the roll-out of this scheme - please note this is subject to inset days for each school:

Information on Universal Pupil Free School Meals (UPFSM)

Nursery - 3 to 4 years of age

Live since 7th November 2022

All registered nursery age pupils attending a maintained school for a full-time session i.e. attends nursery both AM, and PM will be eligible for a free school meal when in attendance on those days.

If your child does not attend a full-time session your school may offer the option of staying for lunch however, there will be a charge of £2.75.

The preferred method of payment for school meals is the UPAY app. *Contact your school for other payment methods.*

Parents may download the app, to see what their child had for dinner.

Reception - 4 to 5 years of age

Live since 2nd September 2022

Parents may download the app, to see what their child had for dinner.

Year 1 - 5 to 6 years of age

Live since 2nd September 2022

Parents may download the app, to see what their child had for dinner.

Year 2 - 6 to 7 years of age

Live since 7th November 2022

Parents may download the app, to see what their child had for dinner.

Year 3 - 7 to 8 years of age

For pupils that attend Special Schools - Eligibility for UPFSM will be based on the year group in which a pupil is currently being taught, not their age-based or 'expected' National Curriculum year group.

Please note that these dates are subject to change depending on any unforeseen circumstances that may arise.

Up to Sep 2023:

The preferred method of payment for school meals is the UPAY app. *Contact your school for other payment methods.*

From September 2023: parents may download the app, to see what their child had for dinner.

Year 4 – 8 to 9 years of age

For pupils that attend Special Schools - Eligibility for UPFSM will be based on the year group in which a pupil is currently being taught, not their age-based or 'expected' National Curriculum year group.

Please note that these dates are subject to change depending on any unforeseen circumstances that may arise.

Up to Sep 2023:

The preferred method of payment for school meals is the UPAY app. *Contact your school for other payment methods.*

From September 2023: parents may download the app, to see what their child had for dinner.

Year 5 – 9 to 10 years of age

For pupils that attend Special Schools - Eligibility for UPFSM will be based on the year group in which a pupil is currently being taught, not their age-based or 'expected' National Curriculum year group.

Please note that these dates are subject to change depending on any unforeseen circumstances that may arise.

Up to Sep 2023:

The preferred method of payment for school meals is the UPAY app. *Contact your school for other payment methods.*

From September 2023: parents may download the app, to see what their child had for dinner.

Year 6 – 10 to 11 years of age

For pupils that attend Special Schools - Eligibility for UPFSM will be based on the year group in which a pupil is currently being taught, not their age-based or 'expected' National Curriculum year group.

Please note that these dates are subject to change depending on any unforeseen circumstances that may arise.

Up to Sep 2023:

The preferred method of payment for school meals is the UPAY app. *Contact your school for other payment methods.*

From September 2023: parents may download the app, to see what their child had for dinner.

Year 7 to Year 13 - 11 to 18 years of age

UPFSM does not apply to these year groups.

The preferred method of payment for school meals is the UPAY app. *Contact your school for other payment methods.*

Eligible Free School Meals (EFSM) and Universal Primary Free School Meals (UPFSM) Understanding the difference

There are families who are already in receipt of free school meals, and it is important to understand the difference between the two schemes.

Universal Primary Free School Meals (UPFSM)

It is Welsh Government's aim that every child in primary school in Wales will be eligible for a universal primary free school meal (UPFSM) by 2024, regardless of household income.

Please note that being in receipt of UPFSM does not make you eligible for a School Essential Grant. This grant is only eligible to children whose families are on lower incomes and qualify for certain benefits. Please read the section titled "Eligibility" for further information on Eligible Free School Meals (eFSM).

Eligible Free School Meal (eFSM)

Families who meet certain criteria, for example those on lower incomes or in receipt of certain benefits, are eligible for free school meals (eFSM).

Families in receipt of eFSM are also eligible to receive the School Essential Grant to buy school uniform, equipment, sports kit and kit for activities outside of school for your child. This also directly benefits the school which the pupil attends. Under the new UPFSM scheme these benefits will not be affected.

There is an application process for eFSM and it is important that when the new UPFSM scheme is introduced, eligible families continue to follow the eFSM application process so as not to lose out on other benefits.

Primary School Meals – Menu

In Primary Schools, the menu is sold at the set meal price (please see timetable above for implementation of UPFSM and eFSM).

Choices of meals are available in many schools, which cater for differences in tastes as well as racial, religious and dietary needs.

Parents who require their children to take a packed lunch from home are able to do so and suitable seating is provided at lunchtime.

Fresh water is available for all pupils.

For further information please visit www.caerphilly.gov.uk/learning/schools or contact Catering Services on 01443 864055. E Mail - catering@caerphilly.gov.uk
